I want to thank everyone who has helped me put together My ^{3rd} Great Grandparents, William Lowe and Jane Gore's family. Descendants from Jefferson, George, Hawley & Arabella Jane's, Andrew Jackson, had been a big help in this project. Don't have any farther on William Lowe but do have the Gore line many more generations back to almost the beginning of when they came to US.

Fortunately we have info on most all the children of William and Jane but can't find their deaths anywhere. Family story went they sold their land in Madison Co. Il in 1838 after buying it 1830 and William wanted to go to Texas and took his wife and believe the 2 small children, but she didn't like it there and came back and then we found the small children with their older siblings in Iowa. But have never found any thing of the deaths of the parents. Nothing much on James Madison and John Lowe, 1st and last children of William & Jane.

This has been an on going project since 1969 to 2016 and even at that there is much more that can be done but since I have hit my 80 year mark I am going to let the younger ones to finish out the generations if anyone would like to work on this family.

At least this will be a start for anyone that descends from this line if they so desire.

I have included a pedigree chart showing the line both back from me to William and Jane.

One obituary from a newspaper from Coffey Co. KS. "In Avon twp, Coffey Co, Kansas, May 5, 1892 from la grippe, A.J. Lowe, aged 69 years, 7 months and 7 days.

Mr Lowe was a resident of this county a number of years, moving here from Iowa, and was a man highly esteemed and respected by his fellow citizens. He as a man of strict integrity and noble character and an uncompromising democrat of the old school. During his life he filled many positions of honor and trust, and at the time of his death he was Coffey county's member of our congressional committee. His last sickness was almost entirely without pain

except a short time near the end. The funeral services took place last Saturday and a large concourse of sorrowing friends and neighbors assembled to pay the last tribute of respect to an honored and upright citizen. (Ralph Lowe had located this copy).

The obituary from the Sumner Gazette, Sumner Iowa 12 May 1892: Died - A.J. Lowe died at his home near Aliceville, Kansas, on Thursday evening May 5th, 1892. His illness dates back over one year, beginning with la grippe. He had been a resident of the place where he died for the last ten years, moving here from this township, where he had spent the twelve preceeding years of his life. He was past 70 years old, was born in Virginia, read law in his younger days, and practiced the same to a limited extent, his time being mostly engaged in farming. He held the office of Justice of the Peace during all of his residence in Kansas. His wife and eleven children survive him, four of whom are residents of this city, J.B. Lowe, Mrs S.N. Orvis, Mrs C.C. Parsons and Mrs Frank Wescott.

BURIAL: He was buried in the Wilson Grove cemetery in Sumner twp, Bremer Co. IA, where many of his family are buried. Had taken picture in Delaware Co. IA of his first wife, Mary's stone in Apr 1974. Took pictures of Andrew and Ann, his 2nd wifes grave stones during a visit to Sumner, Wilson Grove cemetery, 11 Oct 1997.

CIVIL WAR: Although right age to be in Civil War no mention or record can be found that he was in. One strange fact was one Andrew Jackson Lowe was in Civil war with George Washington Lowe in Ill unit but was said that Lowe was not this Andrew Lowe. There were Lowes in several counties with some of the same names as ours but have not found any connection to them as yet.

He is the only brother not to have been in Civil War and all descendants agree that he wasn't.

Andrew studied law and was Justice of Peace in Delaware Co. IA and also KS. He married several people, one being his brother George.

Andrew came to Delaware Co. IA in 1848 (believed he was with his brothers in 1840 in Delaware Co.) but apparently not so either in WI or IL. He and his two brothers went to WI near the IL border not far from Galena, IL to work in the lead mines when first leaving home. Andrew farmed in Delaware Co. IA for few years then about 1866 he moved to Dubuque Co. where he farmed and ran a tavern-hotel on the old Military Road between Dubuque and Cedar Rapids at a settlement called Whitewater. Only a trace of the town remains about 4 miles east of Cascade, IA where the hiway to Dubuque crosses the Whitewater River.

According to obituary of a daughter, Helene Wescott, it was stated they lived in St. Joseph, MO before 1872 when they moved to Bremer Co. IA and farmed near Sumner, IA. He owned land in Bremer Co. according to 1875 Platt book. Was in Dubuque Co. IA in 1870 census Maybe they were actually in MO before the 1870 census since buying land in 1870 and 1872 in Bremer Co. IA. According to places of birth for the children was Dubuque Co. IA and Bremer Co. IA. So another thought was maybe Andrew just traveled to St Joseph to look over the lay of the land before actually moving there and Helen just was unsure of the situation. However I know every place I have lived so why wouldn't she have-GLT. Just can't get a time period for them there for sure.

Blackhawk Co. IA History pg 509: A.J. Lowe, J.P. of Delaware Co. IA was appointed commissioners to locate and establish a seat of Justice for BlackHawk co. 22 Jan 1853. First at Cedar Falls then changed to Waterloo, Jul 1855.

Ralph Lowe had a letter that was written by Andrew Jacksons youngest daughter Pearle Lowe Jenner in Feb 1944 to him and stated a lot of same info that Ralph, June Beals, Faye Francis and I have researched. Copy of the letter under Ralph Lowe's notes.

Wilson Grove cemetery is in section 12 of Sumner twp. Abt 1882 he moved with his family to Coffey Co. Kansas to Avon Twp. where he lived until his death in 1892. He was first buried in Avon Twp. Coffey Co. KS. in the Pleasant Hill cem, near Aliceville, KS. Then his wife moved back to Bremer Co. IA and he had him reinterred to the Wilson Grove cem., before she died. Ralph Lowe made a visit to Aliceville, KS but could find no trace of where he had been buried. He has a stone in the Wilson Grove cem. and we found that. This cemetery is located 2 miles north and 1/2 mile east of Sumner, IA. All the children came back to Iowa except the oldest son, Hawley Brooks Lowe. He stayed in KS. Andrew was a radical democrat and southern sympathizer, but was sincere. According to his youngest daughter Pearl. He held several political offices during his lifetime, one being Justice of Peace. Obituary of one daughter said they lived in St Joseph, MO before moving to Bremer Co. Iowa about 1872. Was in Iowa in 1870 census. CENSUS RECORDS: 1830 census family was probably still in Madison Co. AL, One Wm Lowe there but ages didn't match what info we had so not sure. He would have been abt 7. It was stated in Andrew J. Lowes family that Andrew was about 3 when left Madison Co. AL which would have been by 1826-27 but no mention of where they went as not in Madison Co. IL till about 1832 census or land records. 1840 He would be about 17 and not located him for sure. But believe he may have been living with his older brothers, listed under Jefferson Lowe at Delaware Co. IA. Maybe still in WI not IA with other brothers, Jefferson, Hawley, George. As in 1856 was stated he had been in IA 7 years, which would have been 1849. Maybe was there then and went back to WI or IL until 1849. 1846 WI Territorial-Iowa Co. WI Dist 1 pg 20: A.J. In 1915 land owned by John O'Brien. 1882-1892 living in Aliceville, Coffey Co. KS which is where he died and was buried then later brought back to Sumner Co. IA to be buried. Faye Francis says she has his will which was from Coffey Co. KS (Mar 2008) I located the case # 547 on the internet from Coffey Co. District Court records and sent for a copy which they said was 43 pages and would cost \$10.75 plus \$3 for postage so sent that as Faye said she didn't have that many pages so will see what there is. Located on worldconnect a site that had some info on Andrew and family (Mar 2008) by Donna at: qqtimberline@peoplepc.com where located info on the Mustard family to which John Even married into. Donna had some info but none was complete, but did list 5 children from 1st mg and 8 from 2nd. Had Andrew's parents as William Lowe and Jane Gore but nothing more on them. Faye Francis located an article Nov 2009 from the Waterloo Dailey Courier, Waterloo, IA Tues June 14, could be 1934 pg 13. (year is not real clear). Shows pic of scene on Commerical Street in 1865, not sure if in Waterloo or not. Another picture of the Black Hawk county house built 1855-7 at 10th Street East and Walter street. Waterloo, IA as county seat of Black Hawk Co. Then article of Black Hawk's County Seat Fight Settled in Election 79 years ago. And in this article A.J. Lowe of Delaware County is listed, since he was a J.P., he and others appointed commisioners to help get the county court house up and running it appears. Nov 2009 received an e-mail from Judy Fatheree and said she had found my e-mail address and was hoping was still at same address and would like me to contact her as she was related on Andrew Jackson's daughter Frances Pearle Lowe Jenner and could we exchange info. Sure glad we connected as Judy's aunt died in March and she had many family pictures that Judy shared with Faye and I, now have a picture of all Andrew's children at one age or other and some grandchildren as well so what a find. Really great. Now have 3 pictures of Ann Lloyd Lowe at different ages and also oone of Ann's mother Ann Jones Lloyd (Loyd) taken when she was elderly so absolutely great. Only one dau of Andrew's 2nd mg that don't have pic of and that is Mary Maria Lowe Liebforth but not giving up just yet, there maybe more. No pic from 1st wives children however. Apr 2010 received the pictures from Judy Fartheree, who lives in Virginia Beach, VA. Her mother lives in Richland Co. IL as did her Aunt that just died. Her mothers youngest sister. They were children of Pearl Lowe Jenner. She thinks she met Ralph Lowe when he was there as a little girl. Most of the pictures she sent were named but were 3 that were not, but one we think was probably Hawley Brooks Lowe who lived in Topeka, KS as that is where pic was taken and he and his wife had 2 children and ages look like they fit with picture. Other picture of 4 young ladies that could be Andrew's daughters but just not sure about that. Pic was taken in Sumner but not sure of the date. Older gentleman that had a real long beard, didn't look like anyone we had pic of before so maybe that man was a Lloyd, no name so can't tell for sure. WIFE - Ann Loyd First info from Ralph Lowe 1974. He recieved some info from Pearl Jenner, dau. Jan 2010 Judy Bossotto Fetheree sent pictures of Pearle's famiily which she descends from and little more info on the families.

Notes	- Ann Loyd (Continued) Apr 2010 Judy Fatheree located a picture of Ann Loyd Lowe when she was an elderly lady and a very nice looking woman. Not sure when was taken as she died in 1922 and only had her name on the back of the picture. She also sent a picture that was listed as Five Generations and Mrs A.J. Lowe listed as great great grandmother and was taken in Kansas City, MO and would have been before 1922 and if one is her, she was younger then the pic of her by herself sitting in chair. So people don't exactly fit what we have for the 5 gen pic. We don't have the end of the article or the date, but does list address that Alabama lived in when was taken and she died 1924. Mrs C.C. Parsons listed as great grandmother dau of Mrs Lowe, (and end of article) But Alabama was not the daughter of Mrs A.J. Lowe, her mother was sister to Ann Lowe. So wasn't really true 5 gen. BIRTH: Info from family and obituary. Obit says born 1842 and grave stone list date as 23 Dec 1843. MARRIAGE: Have copy of marriage record from Delaware Co. Iowa. Ann was age 17 and Andrew was 36. Ann was younger sister to Andrew's first wife. They had 8 children. DEATH: Obituary from the Sumner Gazette, Sumner, Bremer Co. WIFE	- Ann Loyd (Continued) 1900-1910 not checked
	E-mail correspondence from gr granddau of Ann Loyd Lowe Jan 2010 told a story that she had heard about Grandma Lowe, when her youngest daughter Belle was young. Ann went to fortune teller and she looked into the tea leaves and told her she was going to have another baby, as the family story goes she laughed and said her youngest was 12 so she doubted it. 13 years later another child was born, Frances Pearle. So maybe sometimes those fortune tellers know?

CHILD 3 - Mary Maria Lowe (Continued)

MARRIED-- In Burlington, Kansas, Nov 7, 1887 at the residence of Sam D. Pa____ (clipping too blurred to read) By Rev. Mack, Mr G.A. Leibfarth, of Osage, IA to Miss Mary Lowe of Aliceville.

The above event was quite a surprise to Mary's many friends here. She had recently returned from Iowa, where she had been visiting and where she made the acquaintance of Mr Leibfarth and then the same old story of friendship, love and marriage.

Mary is a young lady loved and respected by all who knew her, and while we regret to lose her from our social circle, we congratulate her husband on his wise choice. They left immediately after the ceremony for Osage, IA, their future home, where Mr Leibfarth is engaged in the wholesale commission business. The good wishes of a host of friends follow them.

Her two children were listed in the estate of McClelland Reed 1950, with info sent by Mrs L.T. Jenner.

DEATH: Mary was 61 at time of her death. Have copy of her obit from Sumner paper. (which can't be located at this time). Also article, Ralph gave me, of wedding announcement: (possibly from KS paper?)

Obit from Sumner, IA paper stated: After many weeks illness died. Survived by husband, dau and son, grandson and 4 brothers and 2 sisters. After mg moved to Keokuk, IA where their two children were born, later moved Keokuk and lived in New York, Toronto, Canada, St Paul, MN and Chicago, IL A year ago last fall they bought the old Lowe homestead (in Sumner, IA)

Located obituary at Sumner, IA library from the Sumner Gazette, Sumner, Bremer Co, IA 16 Jun 1927 pg 1.-- "Mrs G. A. Liebfarth Dies Tuesday After many Weeks Illness

Came a year ago to reside in Sumner and last illness occurred in old home. Last rites this p.m. Survived by husband, two children and many other relatives and friends.

Mrs G.A. Liebfarth, 61, died at her home in Sumner, Tuesday, June 14, after a gallant though hopeless struggle against an incurable disease.

She is survived by her husband, one daughter, Mrs William Landahl, and one son, Floyd Liebfarth, both of Chicago, Illinois; two sisters, Mrs Frank Wescott of this city and Mrs L.T. Jenner of Parkersburg, Illinois; four brothers, J.E. Lowe, Charles City, Iowa; J.B. Lowe, Pasadena, California; S.J. Lowe, Denver, Colorado; and H.B. Lowe of topeka, Kansas; her grandson, Duane goodson who made his home with his grandparents while completing his high school work here and a host of other relatives and numerous friends.

Mrs Liebfarth was a faithful member of the Methodist Church and an active worker in the Eastern Star Lodge of this town.

Services will be held this afternoon at 2:30 from the home. Rev. W.H. Mitchell, pastor of the M.E. church officiating. Burial will be made in the family lot at Wilson Grove cemetery.

Mary Maria Lowe was born near Manchester, Delaware County, October 28, 1865. While still a small child her parents moved on a farm two and one half miles north of Sumner, and she learned her three "R's" at the Pleasant Valley school which still stands in the same location.

It was in Sumner that Mary Lowe was married to G.A. Liebfarth. Business affairs later took Mr Liebfarth to Keokuk, Iowa and it was in the southern Iowa city that the two children, Floyd and Hazel, Now Mrs William Landahl, were born.

Mr and Mrs Liebfarth moved later from Keokuk and lived in Buffalo, New York, Toronto, Canada, St. Paul, Minnesota, and Chicago, Illinois. A year ago last fall they bought the old Lowe homestead and Mrs Liebfarth came to spend the autumn days of her life in the home of her childhood. A zealous worker in the church and lodge, capable and efficient in her home, possessed of an unusual amount of energy she speedily renewed old acquaintanceship and made many new friends in the community in the short while that she was able to be around. It was all too short a time, however, as soon after her arrival here, Mrs Liebfarth's health began to break rapidly, later diagnosis confirmed her worst fears and although conscious that she was fighting a losing battle, that indomitable pioneer spirit persisted and she never

would admit defeat. Through disheartening days and nights of anguish her ready humor and quick repartee flashed through the gloom in all her conscious moments. Time after time the tiny spark of life flickered feebly in her frail body than rallied and Mrs Liebfarth lived on the the amazement of all who were near her during those days of suffering.

Upon her death it could be justly said that a truly heriic soul was called from the frail body. Mrs Liebfarth's presence passes but the memory of her many virtues will live forever in the minds of thouse who knew her best."

CHILD 6 - Lillian Irene Lowe

Info from Ralph Lowe 1974, also sent copy of obit from Sumner IA paper Aug 1895.

When she was 11 she moved to Kansas with her family where she lived until she was 19 then she returned to Sumner, IA.

Lillian taught school after a finishing preparation in the school and at the Iowa State Normal school at Cedar Falls.

She died of consumption. Obit said she had a severe attack of pneumonia at age 15 and never fully recovered. Mar 1894 she was compelled to give up her position in our schools because of failing health. She visited her sister Mrs G.A. Leibfarth of Keokuk and brother S.J. Lowe of Sioux City in hopes of receiving treatment by Doctors but had no luck.

Mrs G.A. Leibfarth and children of Keokuk, S.J. Lowe and little boy of Leeds, attended the funeral. H.B. Lowe of Topeka, KS did not receive the telegram in time to be there.

An article probably in the Sumner paper: Lillian Lowe from Kansas visited relatives here last week, leaving Monday morning to attend the Iowa State Normal School for the fall term, immediately after which she will enter upon the duties of teacher of the Munger school.

1880 Bremer Co. IA Lillie age 8 with parents.

Apr 2010 Judy Fatheree sent pictures of children of Andrew and Ann Lowe and one of them was of Lillian Lowe taken in Burlington, KS. No date given but since father died 1892 and the family went back to Sumner, maybe have been about 1890-91 the picture was taken. Very pretty young girl. Also sent a picture of Lillian Lowe with her mother Ann Loyd Lowe and sister Pearle Lowe so was taken in Sumner before 1895.

CHILD 7 - Belle Lowe

Info from Ralph Lowe 1974 and also sent obit and other articles of Belle. Ralph gave me a picture of Belle but no date, probably in her younger days.

Took picture of grave stone during visit to Wilson Grove cemetery on 11 Oct 1997.

MARRIAGE: Ralph had copy of notice of marriage from maybe a Waverly, IA paper. Married: At the Baptist parsonage in this city last Saturday, Feb. 9, 1901, Rev. P. Monroe Smock officiating, Mr Harry Rose to Miss Belle Lowe, both of Sumner, Iowa. We extend congratulations.

Another article on her marriage from a newspaper: Miss Belle Lowe, long and favorably known as a typesetter in the Gazette office, was married on Sat. to a Mr. Rose, a new resident of the town.

Eight years ago Miss Belle Lowe began to work in this office and she has been a steady and constant employee since, excepting about a year, she worked in Allison. Last Saturday night she permanently terminated her employment with us and retired from the printing business. She has been a good and faithful helper in our composing room and in the conduct of our business, and we are sorry to lose her valuable assistance.

Miss Belle Lowe, for the past seven years an esteemed and trusted typo of the Gazette office, was married last Saturday, Feb. 9, 1901 at the Baptist parsonage in Waverly to Mr Harry Rose of London, England ----- we wish the bride happiness as she journeys along the matrimonial highway. The groom is an entire stranger to us, but his judgment in the choice of a wife is all right.

Another article from Ralph had the heading, "Letter From Colorado" -- "one of the Review correspondents sends letter describing Far West" -- This is a long letter by Mrs Belle Rose from Glenwood Springs, Colorado, dated Sept 20, 1905, to the Review, Vinton, Iowa. It tells all about the country around Glenwood Springs, Colorado.

DEATH: Info from two obituaries, both appears to be from the Vinton, Iowa Gazette paper received from Ralph Lowe. One obit from Sumner paper.

Vinton paper: The many friends of Mrs Harry Rose will be grieved to hear of her death, which occurred Sunday morning at the home of her sister in Sumner, Iowa.

"Mrs Rose had been a resident of Vinton for the past twelve years, moving here from Sumner. For several years she

had been employed by the Vinton Review as a reporter and compositor and had endeared herself to a host of friends in this vicinity. Mrs Rose was compelled to resign her position a few months ago on account of ill health and she was taken to St Lukes Hospital in Cedar Rapids for special treatment. Continuing to fail rapidly, she was removed to the home of her sister in Sumner where she remained until her death.

Her death did not come as a surprise to her relatives as she was suffering from cancer of the throat. Everything possible had been done to save her life, but to no avail. Services were held in Sumner on Monday."

The second obituary for the Vinton, Iowa Gazette: "Mrs Belle Lowe Rose was born in Sumner, Iowa, Feb. 28, 1873. When young her parents moved to Aliceville, Kansas where she lived until a young woman. She returned to Sumner in 1891 or 1892, and went into the Gazette office and learned the printers trade.

She worked in the Gazette until early in 1901. On February 9, 1901 she was married at Sumner to Harry Rose. In May of the same year they moved to Vinton, Iowa, where she ever since has resided. She worked in a printing office in Vinton for several years.

One year ago in February she was operated on for cancer and for one year she seemed to be free from that dread disease. But it again manifested its presence. In August this year she came back to Sumner, her birthplace, to be with her mother, sister, and relatives during her last days.

She won many friends in Vinton --- was highly esteemed --- loved by all for her intelligence, faithfulness and cherrfulness, --- Several of her Vinton friends visited her in her last sickness in Sumner.

She died at the home of her sister, Mrs Frank Wescott, Sabbath morning, Sept. 22, 1912. Funeral services were held in the Presbyterian Church on Monday at 2:30 pm September 23, 1912. The remains were laid to rest by those of her sister Lily in Wilson Grove cemetery."

Sumner paper: A long story on Mrs Harry Rose and was followed by this obituary: "Belle Lowe was born at Sumner, Iowa, February 29, 1873 and was the daughter of A.J. and Ann Lowe. When a girl, she moved to Aliceville, Kansas with her parents, but they later returned to Sumner. On February 9, 1901 she was married to Harry Rose who survives her. For eleven years she had made her home in Vinton, although being employed in other towns during that time. She was a member of the local Rebekah and O.E.S. Lodges and her death has cast a gloom over the membership of these organizations.

Besides her husband, she is survived by her mother, three sisters and one brother. Funeral services were held at the Wescott home in Sumner Monday afternoon and burial was made in the Wilson Grove cemetery."

Belle and Harry had no children.

Another article from Ralph: "Miss Belle Lowe, a sister of station agent Lowe of the Illinois Central, is visiting her brother in Leeds and will remain two weeks or more. Miss Lowe is a typo on the Sumner, Iowa Gazette."

HUSBAND - Evan Loyd

Evan Loyd and Ann Jones and 4 children were listed on the manifest of the ship "the Columbia" from Liverpool to Philadlphia, PA 23 Jul 1842. Evan age 37, waiter, Ann 35, Mary 13, Sarah 7, Elizabeth 5, John 3. Was listed in Sarah's death cert. that she was born in 1841 PA.

Also under Serch Results from historical Records, Family Search under Wales Births and Baptisms, 1851-1907: Evan Loyd, father, spouse, Ann Jones, Name Evan Loyd, Gender: Male, Christening: 20 Feb 1823, Place: Capel Y Groes and Pentre Llyncymmer Independent, Llangwm and Cerrig-y- Druidiron, Denbigh, Wales, Not right Evan? HUSBAND - Evan Loyd (Continued)

Ann Jones b. 15 Jun 1806 Wales Was before 1829 so seems to fit one of these Evan's . Date of death on Ann's stone was 15 Aug 1885 b. 1806 in Delaware Co. IA in Hopkinton cem.

Evan died before 1850 as last child was born 1848, believe was living in Millville in Jo Davies Co. IL and it is completely gone now so if died there and buried, would b nothing there.

Not sure of info on Evan to date. Obit of son said he came to US with his parents from Wales to Jo Daviess Co. IL when very young. Evan Loyd was not with wife Ann in census of Delaware co IA in 1850 so presume he had died before 1850 but after 1848 as last child was born then in IL, prob. Jo Davies Co. IL.

Not for sure if name was Loyd or Lloyd but most of the time this family used Loyd and being from Wales I would guess that would be right. Different sources used different spellings however.

Believe he had a son Evan Loyd as one is buried in Hopkinton cem. where Ann is buried.

Evan's stone in Hopkinton next to Ann Loyd's stone says he was son of Evan and Ann Loyd. b. 1844, d. 28 Jun 1871 Delaware Co. IA, Hopkinton cem.

Ended up in Jo Davies Co. IL by 1850 where Evan died and Ann was there as widow.

According to this manifest. Evan was born ca 1805, Ann born ca 1807, Mary born ca 1829, Sarah born ca 1835, Elizabeth born ca 1837, John born ca 1839. Only problem was death cert. of Sarah said she was born 2 Nov 1841 PA. but other records sais she was christened 16 Feb 1834.

So my thought is Sarah b. 1834 died early and then they had a second Sarah b. 1841 or 42 in Pa

Notes	
CHILD 1 - Mary Loyd First Info from Ralph Lowe who received the info from Mrs Pearle Lowe Jenner of Parkersburg, IL (1944) Judy Fatheree Apr 2010 had located some pictures of children of Andrew Jackson Lowe and his wife Ann and her mother Ann Jones Lowe. Also a 5 generation picture that belive to be Ann Loyd Lowe and step dau Alabama Lowe and daughter, grand and gr granddau. This pic taken in Kansas city, MO and would have been before Ann died 1922 and Alabama died 1924. Youngest child looked like a girl about a year old or so. Can't tell that long ago with pictures. We have part of the bottom of the article missing so not sure who the last 3 gals are. Not sure absolutely who the 5 gen is either. Since Mary and Ann were sisters, Ann Jones Loyd would be Mary's mother as well. BIRTH: Baptism date 14 Jun 1829 Wales, cemetery stone listed age of 30 years which would be born 1829 and census record of 1850 listed her age as 27 which would be b. 1823. Faye Francis found the baptism record of the children of Evan and Ann in Wales and listed Mary's date 14 Jun 1829 Dihewyd, Cardigan, Wales. Elizabeth, Sarah, and John also listed there. MARRIAGE: Have copy of their marriage record from White Oak Springs, WI #01422 Iowa Co, Wisconsin Territory, WI. CHILDREN: She and Andrew had 5 children . DEATH: Have not located an obituary for her as maybe too early for newspapers. BURIAL: Cemetery stone in Hopkinton cem. of Mary Lowe says wife of A.J. Lowe age 30 yrs 23 Jul 1859. Have a picture of her stone taken Apr 1974 when I was at the Hopkinton cemetery. Find A Grave has info on Mary Lowe with picture of gravestone, Wife of A.J. Lowe Had info on A.J. in another cem with 2nd wife in Sumner, IA. picture of A.J. And Ann and gravestone. She was sister to Andrew's 2nd wife. Have an obit from probably Spencer IA paper from Ralph Lowe on John Loyd who was probably a brother to Mary and Ann. He came from Wales with parents as a child to Jo Davies Co. IL. then Delaware Co. IA. 1850 Delaware Co. IA pg 338 Dist 7 listed Mary as age 13 with mother and siblings. Some info from Ralph Lowe 1974. Some research done myself and Faye Francis and June Beals also has done some. Mary Loyd was listed in ship "Columbia" maifest Jul 1842 with Evan and Ann Loyd at age 13 . Ship went from Liverpool, England to Philadelphia, PA 23 Jul 1842 Believe this was date left but not sure. (have copy) Several internet sites list Mary Loyd as daughter of Evan and Ann Jones Loyd	
CHILD 2 - Elizabeth Loyd From other sources Elizabeth Loyd was married to Robert Ham and at least by 1880 she had 2 children and 1885 she was listed in her mother's will. Birth listed as abt 1827 Wales but if age 43 in 1880 that would be 1837 so something is off here. Elizabeth was listed in the Manifest of the ship "Columbia" from Liverpool, England to Philidelpia, PA and she was with parents an age listed 5. Christining date was 12 Jan 1836 Dihewyd, Cardegan, Wales 1st Marriage was 2 Nov 1856 Delawre Co. IA to William Windsor. 2nd Marriage probably about 1871. Delaware Co. IA to Robert Ham (has been spelled Haun). 1850 Millville, Jo Davies Co. IL: pg 131: Evan Loyd 44, Ann Loyd (Mother?), Elizabeth, Jackson. Believe this was father Evan who died in 1850 and wife Ann with daughter and son. 1860 Delaware Co. IA: John Loyd, 22 Wales, Sarah Hughes, 26 Wales, Henry Hughes, 3 Iowa 1857, Jackson, 12,	

1860 Delaware Co. IA: John Lloyd, 22 Wales, 22th Street, 3 Iowa 1857, Jackson, IA.

1860 Millville, Ia Davies Co. Ia: pg 131: Bean Lloyd 44, Ann Lloyd (mother), Elizabeth, Jackson.
Believe this was father Evan who died in 1850 and wife Ann with daughter and son.

2nd Marriage probably about 1871. Delaware Co. Ia to Robert (son has been spelled Houn).

1st Marriage was 3 Nov 1856 Calverly Co. Ia to William Winter.

Christening date was 15 Jan 1838 Dineford, Calverly, Wales.

Elizabeth was listed in the Manifest of the ship "Commodore" from Liverpool, England to Philadelphia, PA and she was with

Birth listed as c. 1827 Wales, but I see 43 in 1860 that would be 1817 so something is off here.

Spencer and moved into a home they had purchased on east 7th street, and where he died Saturday evening. Mr Loyd was very fond of his son in law, Mr Gelino, and his last request was for him. He leaves to mourn his loss his wife, two daughters, a sister Mrs Anna Lowe of Sumner and a host of friends. The funeral was held Tuesday at the Methodist church of which the deceased had been a member for many years, the service being conducted by the pastor, Rev. Bond and the interment was in Riverside cemetery.

CHILD 5 - Ann Loyd

First info from Ralph Lowe 1974. He recieved some info from Pearl Jenner, dau.

Jan 2010 Judy Bossotto Fetherree sent pictures of Pearle's family which she descends from and little more info on the families.

Apr 2010 Judy Fatheree located a picture of Ann Loyd Lowe when she was an elderly lady and a very nice looking woman. Not sure when was taken as she died in 1922 and only had her name on the back of the picture. She also sent a picture that was listed as Five Generations and Mrs A.J. Lowe listed as great great grandmother and was taken in Kansas City, MO and would have been before 1922 and if one is her, she was yonger then the pic of her by herself sitting in chair.

So people don't exactly fit what we have for the 5 gen pic. We don't have the end of the article or the date, but does list address that Alabama lived in when was taken and she died 1924.

Mrs C.C. Parsons listed as great grandmother dau of Mrs Lowe, (and end of article) But Alabama was not the daughter of Mrs A.J. Lowe, her mother was sister to Ann Lowe. So wasn't really true 5 gen.

E-mail correspondence from gr granddau of Ann Loyd Lowe Jan 2010 told a story that she had heard about Grandma Lowe, when her youngest daughter Belle was young. Ann went to fortune teller and she looked into the tea leaves and told her she was going to have another baby, as the family story goes she laughed and said her youngest was 12 so she doubted it. 13 years later another child was born, Frances Pearle. So maybe sometimes those fortune tellers know?

CHILD 6 - Evan Loyd

Stone next to Ann Loyd 4th tree to the right. Believe to be son of Evan and Ann buried in Hopkinton cem, Delaware Co. IA next to Evan? and Ann Loyd.

Not sure Even is buried there but Anns stone was readable

Was told that Evan was depressed and hung himself in a barn. There is a GAR marker above his stone and so he may have been in Civil War. Find A Grave has his birth as 1844 where family has 1845, on picture of stone says he is son of Evan and Ann Loyd.

Dear Gladys,

I have found the other obit you were wanting. I had started with the first of September and went through and didn't find it. Then I went back to where I had left off in the later part of the month and there it was. I hope it is helpful. Death certificates are kept at the state level and they don't give out non-certified copies. Good luck with your research.

Dear Gladys,

I am sorry it has taken so long for me to answer your letter. I have been very busy with family and have had a flood of letters come in. I found an obit for your Clyde Lowe. It is the only one, others had more extensive obits but I checked from the day he died until his funeral on Friday July 5, 1957 and didn't find any other notice. The cemetery Clyde is buried in is Wichita Park Cemetery 2500 N. Hillside Wichita, KS 67219. The mortuary that handled him was Downing (now Downing & Lahey) Mortuary 6555 E. Central Ave Wichita, KS 67206.

Next I started looking for an obit for Mabel Lowe. I started in the middle of September and went for about 10 days before my time grew short. I will go back and continue looking the next time I go to the library in early November. I will be heading for San Diego for my son's graduation from boot camp soon. Again I am sorry about the delay and will get to your other obit as soon as I can.

Sincerely,

Claudia Vickery

Dear Member,

I was wondering if someone in the society could check an obituary for me from the Wichita newspaper and send me a copy?

Mabel Cecil (Ogan) Lowe died September 1977 in Wichita, KS but have no day. If Wichita has death certificates and it would be possible to get a copy of that, not a certified copy, just for the info on it for genealogical purposes and for burial place.

She was a cousin and need the info for my records.

Enclosed \$5 for copies and if more please let me know.
Thank you for your help.

Christians pack fairgrounds for Jesus '85 Festival

By John Gholston

SENTINEL RELIGION WRITER

Thousands of Christians are packing the Central Florida Fairgrounds with tents, trucks, trailers and campers for the Jesus '85 Festival. Promoters are expecting 20,000 people to attend at least some of the activities, which began Wednesday night and will end with a mass church service Sunday morning.

Advance registration for the 10th annual event exceeded 4,500 — almost 30 percent over last year, when the festival drew about 15,000 visitors.

"I think we did a good job of getting the word out this year, and we are getting a lot of people coming back again and bringing friends," said Rick Eldridge, 28, one of the two directors of the festival.

"Also, every year there are fewer and fewer big festivals like this and people who really enjoy them still want to go."

The first Orlando Jesus Festival was held in 1976 in a dusty cow pasture near Walt Disney World.

It was co-sponsored by a Pennsylvania ministry and Calvary Assembly of God in Winter Park.

Although the early festivals were well attended and promoted nationally, they lost huge sums of money for the promoters, who continued them as mission projects rather than as fund-raisers.

After the 1980 festival, Calvary Assembly announced it would no longer sponsor the event, citing desires to involve itself in other ministries.

Come Alive Ministries of New Jersey picked up the sponsorship in time for the 1981 festival and moved the event to the Central Florida Fairgrounds in west Orlando.

Come Alive Ministries continued the sponsorship until last year when Eldridge and his partner, Jim Green, picked it up.

Speakers and evangelists scheduled to appear include Josh McDowell, Larry Tomczak, Mike Warnke and Dawson McAllister.

Evangelist and author Tomczak will be the keynote speaker at the evening service tonight at 8, and McDowell will be the speaker Saturday at the 6 p.m. service.

One-day tickets for the festival are \$12 and one-night tickets are \$9.

Regents consider funding plan

Proposal would cut UF enrollment by 1,500 students

By Laura Ost

OF THE SENTINEL STAFF

A Florida Board of Regents committee on Thursday approved an experimental plan to increase per-student funding at the University of Florida by reducing undergraduate enrollment.

The proposal, first unveiled by UF President Marshall Criser at his inauguration last month, calls for a reduction of 1,500 "full-time equivalent" students over three years beginning in the fall of 1986.

If the plan is approved by the full board and the Legislature, UF would be allowed to keep all the money it would have received at the higher enrollment. Criser said the money would be used to reduce class size and improve academic advising services, goals he said are consistent with the regents' quest for quality.

Although the plan gives UF a special advantage, regents described the plan not as favoritism but as an experiment in improving quality.

Trevor Colburn, president of the University of Central Florida in Orlando, did not begrudge UF the special treatment. He said UCF might be able to use the same technique to increase per-student funding, but would have to be careful because rejected applicants would have few alternatives.

In other action, a regents committee chose Fredrick Humphries as the president of Florida A & M University in Tallahassee.

The full Board of Regents will vote on Humphries' nomination at a meeting today in Tampa.

Humphries is president of Tennessee State University in Nashville. He would replace Walter Smith, who announced last summer his plans to resign.

State sues to stop by milk culture com

By Lynn Phillips

OF THE SENTINEL STAFF

Two companies that have recruited more than 300 Floridians to produce a so-called milk ingredient for use in cosmetics have been accused of selling unregistered securities and of misrepresentation and fraud.

Florida Comptroller Gerald Lewis on Thursday filed suit in Orange Circuit Court against Activator Supply Co. Inc., Las Vegas, Nev.; Culture Farms Inc., Lawrence, Kansas; and Larry Huff, a promoter and consultant to the firms. In it, he asked the court for a preliminary and permanent injunction to stop sales of the securities in Florida.

Lewis said the companies were not registered by the state to sell securities.

State officials say the elements of a security include the investment of money with the expectation of profit that will be generated through the efforts of someone other than the investor. They say the definition applies to this business opportunity because growers' profits depend on Culture Farms buying their product.

The complaint, which was filed in Orange County because many of the investors live there, alleges the companies are operating a "Ponzi scheme" where funds of the new investors are used to pay the early investors. This type of plan collapses when it runs out of new investors. Company officials have repeatedly denied the accusation.

Lewis also is asking the court to order the companies to make restitution for damages to investors in the form of a refund of money invested.

The complaint, however, would not keep the companies from paying growers for the ingredients they are producing or from developing a line of cosmetics using them.

Laurel Sullivan, a representative of Activator Supply Co., said Thursday the companies would fight the complaint. She said company officials take the position they are not selling securities so registration would be inappropriate. But she said the officials have been cooperating

Her address was listed as 2603 Golden Ave, Topeka, KS 66605 and phone # 267-5712 in Nov 1989. There was a Gary D. Dear Mr. Hall

I hope this letter finds you as we have been looking for a connection to the my family tree for some time. I really enjoyed our recent phone conversation and I hope you enjoyed the phone book and hopefully you are the same person that was listed in the obit.

Julia Lowe started working on father's obituary about 10 years ago and had some info from your father that he died and I have been carrying on as a family tree of the Lowe and Lowe families of that time. I am married to Paul Hall's brother Thomas Jefferson Lowe at age 19. I thought that your brother Stanley Lowe. We all have done a lot of work for the and lately have been working on some family connections.

I have included a family group sheet showing some info we have on this family. Any help you can give us on your family would be greatly appreciated.

Also if your brother had his info, could you give me his address?

Back to Stanley, Brock Lowe and wife Julia Jane Parker. I can't seem to locate his exact death date, was said he died 1987 in Wichita and they don't have a death cert. for him and only thing I know of Julia was she died between 1901 & 1904 and they didn't start to have death cert until 1911. Any info we then would be able to help. They would be your grandparents and so maybe you could have something on them. We would like to know where they are buried also.

Waiting to hear from you.

Sincerely,

Theresa Lowe Hall

Dear Julia,

I hope this letter finds you as we have been looking for a descendant of Hawley Brooks Lowe for some time. Finally received son Harold Parker Lowes obituary then checked the phone book and hopefully you are the same person that was listed in the obit.

Ralph Lowe started working on Andrew Jackson Lowe's family many years ago and had some info from your family then he died and I have been carrying on as a cousin June Beals of Des Moines and Faye Francis of West Union, IA. June descends from Andrew's brother Thomas Jefferson Lowe as does Faye. I descend from their brother Hawley Lowe. We all have done a lot on these families and lately have been working on Andrew Jacksons descendants.

I have included a family group sheet showing some info we have on this family. Any help you can give us on your family would be greatly appreciated.

Also if your brother would send his info, could you give me his address?

Going back to Hawley Brooks Lowe and wife Julia Jane Parker, I can't seem to located his exact death date, was said he died 1936/7 in Wichita and they don't have a death cert. for him and only thing I know of Julia was she died between 1901 & 1910 and they didn't start to keep death cert. Until 1911. Any info on them would be also very helpful. They would be your grandparents and so maybe you would have something on them. We would like to know where they are buried also.

Hoping to hear from you.

Sincerely,

Gladys Lowe Treadway

26 REPORT MONDAY FOR GRID WORKOUT

Coaches Hetzel and Hunt Have Six Lettermen for Nucleus of Football

With the opening of school Monday, the minds of high school athletes began to turn to football, and the prospects for lining up a formidable grid machine for the Orange and Black this fall.

Coaches W. L. Hetzel and Hollis Hunt issued equipment and sent the squad through some preliminary conditioning Monday evening. A total of 26 turned out for the first workout, and the local mentors lost no time in showing the boys the ins and outs of the grid game, because the first game on the schedule is set for September 16th, just a week from tomorrow.

Six lettermen from last year's team are on hand around which the coaches will organize an eleven. These include Capt. Marvin Itoth, center on last year's team; Blume, guard; Morf, guard; Mohlis, half back; Leo Meyer, guard, and Schug, backfield. In addition to these, Coaches Hetzel and Hunt have a likely bunch of promising material to fill in the gaps left vacant by the loss of 10 lettermen through graduation last June. Several grid prospects are expected to turn out during the coming weeks.

Nine games are on the local grid card. Two of these are newcomers for the local school: Cedar Falls and Nashua. The dates and schools to be played are as follows:

- September 16—Cedar Falls there.
- September 24—Greene here.
- September 30—Maynard here.
- October 7—Fayette there.
- October 22—Arlington there.
- October 28—Nashua here.
- November 4—Waverly there.
- November 11—Tripoli there.
- November 18—West Union here.

MINNEAPOLIS FIRM WILL PAVE NO. 59

**Bid of \$157,726.85 Accepted
—Total Well Below En-
gineers' Estimate**

The contract for paving the portion of No. 59 in Bremer county goes to Al Johnson Construction company of Minneapolis, Minn. Their bid was \$157,726.85, and the mileage is 10.851.

Another Minneapolis firm, McKenzie Kileen Construction company was awarded the contract on that part of the road in Chickasaw county. Their bid was \$80,894.56 and the mileage is 4.548.

The total bid for the two sections is \$238,621.41, well under the estimate of \$375,000 made by the department engineers.

With the contract let in two parts, it is fairly certain that the entire gap will be closed this fall, barring any prolonged bad weather during September and October. The contractor on the Bremer county section has assured that he will complete his job this fall.

New Hose and Accessories Added to Fire Equipment

Efficiency of the local fire fighting equipment has been materially increased by the purchase of new hose and other accessories, authorized at the August meeting of the council.

The most important item is a so-called Siamese coupling. This is a Y-shaped device which connects to the main hose and permits two smaller hoses leading off. The lower part connecting to the main hose is 2 1/2 inches, while the stems are 1 1/2 inches. The reduction in hose size makes it much more convenient for the firemen to handle, enabling them to enter attics or climb on roofs and handle the smaller hose without danger of the water pressure whipping the nozzle out of their control.

Four hundred feet more hose have also been added, 20 of which is 2 1/2 inches in size and the other 200 feet 1 1/2 inches. The short length of large hose which connects between the hydrant and the fire truck has also been replaced and is now 18 feet in length, much easier for the firemen to handle as the truck always pulls up close to any hydrant.

YOUNG PEOPLE PLAN TO ATTEND COLLEGE

Over 20 Will Leave for Ad- vanced Work in Next Week or Two

Approximately 20 young people of this community have completed their plans for returning to college and university work, or have made arrangements for entering upon their first year's work. Most schools of higher education begin the year's work in the next two weeks.

In several instances, those who took college work last year are finding it impossible to resume their courses this fall.

Floyd and Vernon Scott are returning to Cornell college at Mt. Vernon where the former is completing his college work this year.

Six young people are going to Iowa State college at Ames. Miss Marian Hoppe is taking up advanced work there for the first time after attending Drake university in Des Moines last year. Miss Claire Chadwick will return for her second year in home economics. Donald McGuinness and Floyd Robertson are returning for their Sophomore years, the first in the engineering department and the latter in the agriculture school. Ralph Hurrence will be another planning to attend Ames. Winn Hoyer will begin his Freshman work there, taking work in the forestry department.

Herbert Steege is returning to complete his course at Wartburg seminary at Dubuque after attending Wartburg college at Waverly last year.

Miss Donna Sexton seems to be the only one from here who plans to attend Iowa State Teachers college at Cedar Falls. This is her second year there.

Wartburg college at Waverly will claim several from here. Clair Mueller is returning for his Sophomore year. Alfred Mardorf and Lorenz Schwake are entering as Freshmen.

Three will register at Upper Iowa university at Fayette next Tuesday. Misses Mildred Carpenter and Flor-

ESTEEMED WOMAN CALLED FROM LIFE FRIDAY AT 11 P. M.

Mrs. Helene Wescott, 69, Prominent in Community Life, Laid to Rest

This community mourns the death of Mrs. Helene Wescott which occurred Friday night after a comparatively short illness. Her condition had been considered critical for several days prior to her death and members of her family and loved ones were at her bedside when the end came. She had been in failing health for the past two or three years but her final illness was of approximately two week's duration.

During her residence here which dated from 1872, she was held in high esteem by old and young. She was devoted to her home, but she also took a prominent part in the life of the community. She was a charter member of Laurel chapter, Order of Eastern star, and a charter member of the Sumner Culture club. She was also identified with the local F.H. chapter of P. E. O., the Stitchery club, and the American Legion Auxiliary. She was a devout member of the local Methodist church and the work and progress of the congregation claimed a share of her interest for 41 years.

Helene Lowe was born in Delaware county March 9, 1863, and died at her home in Sumner September 2, 1932, aged 69 years. She was the daughter of Mr. and Mrs. Andrew J. Lowe. The family lived for a time near St. Joseph, Missouri, moving to a farm north of Sumner when she was a child nine years of age.

She was united in marriage to Frank Wescott October 21, 1884. Three children came to grace their home, one of whom preceded her in death. Mr. Wescott preceded her in death August 8, 1929, and their only daughter, Lucile, August 17, 1909.

The two sons, R. A. Wescott of Sumner and L. D. Wescott of Chicago remain to mourn her departure. She is also survived by six grandchildren; one sister, Mrs. Pearl Jenner of Parkersburg, Illinois, and two brothers, S. J. Lowe of Denver, Colorado, and S. E. Lowe of Charles City.

Funeral services were held at the Methodist church Monday afternoon at 2:30 o'clock, conducted by Rev. George W. Turner. Music for the service was rendered by a quartet, composed of Messrs. and Mesdames B. W. Turner and J. M. Murphy. The pall bearers were W. A. Hoyer, E. W. Hoyer, P. M. Sorg, Clarence Niemann, James McMeans and C. G. Carpenter. Interment was made in the family lot in Union Mount cemetery.

Few people in the course of a life time are held in the high esteem and command the universal respect that was accorded Mrs. Wescott—respect for irreproachable character, her keen mind and high courage. In the long period of time that she suffered discomfort and pain from her illness she never indulged in self pity nor alluded to her suffering. Her courage never faltered. She never lost her grip on the realities of life nor her interest in the events of the day.

Her discerning and logical mind, cultivated through intensive and extensive reading and study made her

MINNEAPOLIS FIRM WILL PAVE NO. 59

Bid of \$157,726.85 Accepted
—Total Well Below Engineers' Estimate

The contract for paving the portion of No. 59 in Bremer county goes to Al Johnson Construction company of Minneapolis, Minn. Their bid was \$157,726.85, and the mileage is 10.851.

With the contract let in two parts, it is fairly certain that the entire gap will be closed this fall, barring any prolonged bad weather during September and October. The contractor on the Bremer county section has assured that he will complete his job this fall. His crew is capable of paving a mile every five days. Therefore, in order to carry out the contract, it is practically certain the equipment will be operated seven days a week.

Under the terms of the federal emergency funds being used on this contract, workmen will be permitted to work only 30 hours per week. However, by working two or more crews the work will be carried on at capacity.

The probability is that the contractor will set up his loading plant at Tripoli or Potter Siding or some other convenient point on the Great Western. The contract for gravel for the job has already been given to the Waverly Gravel and Tile company. With a loading site along the Great Western, it is probable that paving will begin at the end of the pavement north of Artesian and continue northward to the railroad, after which the scene of paving would shift to the Bremer-Chickasaw county line.

In addition to the paving, the specifications call for 46,500 cubic yards of excavation, removal of 1,628 yards of solid rock, and 114,065 square yards of pavement.

Unskilled labor to be used by the contractor will be selected from lists made up by the board of supervisors. Through a notice appearing in all Bremer county papers last week, over

Miss Bonnie Pease is returning to Evanston for her second year of work in the School of Fine Arts.

Edgar Born, son of Rev. and Mrs. C. Born of Spring Fountain, who graduated from the local high school last May, will attend Concordia college in Chicago.

In the long period of time that she suffered discomfort and pain from her illness she never indulged in self pity nor alluded to her suffering. Her courage never faltered. She never lost her grip on the realities of life nor her interest in the events of the day.

Her discerning and logical mind, cultivated through intensive and extensive reading and study made her work in the societies of which she was a member of a valuable and lasting character. Hers was the well ordered type of mind that selected the worth while from the trivial values of life.

The out of town relatives and friends present at Monday's services included Mr. and Mrs. L. D. Wescott and infant son of Chicago, Illinois, Mr. and Mrs. J. E. Lowe of Charles City, Mr. and Mrs. J. O. Lowe of Waterloo, Mrs. W. H. Landahl of Chicago, Ill., Mrs. E. M. Wescott of Hampton, Mrs. Harmon Miller, Mrs. C. F. Beyer and Arthur Beyer of Waverly, Mrs. J. E. Janesville Sluggers Touch Four Local Hurlers Sunday

The Sumner All-Stars met some tough opposition in the game with the Janesville nine on the local diamond Sunday, and as a result took a 9-3 defeat.

The visitors brought along their hitting eyes, and pounced on everything that four Sumner pitchers had to offer.

FRANK WESCOTT, 59 YEARS IN SUMNER, CALLED YESTERDAY

Funeral Services Will Be Held Friday Afternoon at Methodist Church

Frank Wescott, 69 years old, and for more than half a century a resident of Sumner, died yesterday afternoon at 1:00 at his home in Sumner.

His death followed a long period of illness, during the last weeks of which he was confined almost constantly to his home.

Funeral Services Friday.

Funeral services will be held Friday afternoon at the M. E. Church, Rev. W. H. Mitchell officiating. Burial will be made at Union Mound cemetery, where the Masonic burial service will be held.

A Local Pioneer.

Mr. Wescott was born in Union County, Pennsylvania, on November 18, 1860, and came with his parents to Sumner when he was 10 years old. Early in life he became identified with Sumner business interests, first as a clerk, and later as a partner in various enterprises, and he was probably one of the best known among the older residents of the town. His interest in business, financial, fraternal and civic affairs was maintained steadily through his last years, even though his active participation in them was terminated several years ago when he was first afflicted with the sickness which was ultimately to claim him.

Wife and Two Sons Survive.

Mr. Wescott is survived by his wife, two sons, R. A. of Ft. Dodge and L. D. of Chicago, five grand children and two brothers, Harley, of Sumner, and Orris, of Monroe, New York, and one sister, Mrs. E. L. Keifer, of Minneapolis.

Funeral Services For Archbishop Keane Held Yesterday.

Funeral services for the late Archbishop Keane, who died quite suddenly at Dubuque Sunday at the age of 71, were held yesterday. Father J. J. Costelloe, of the Immaculate Conception church, of Sumner, attended.

To Begin Gravel on Ninety-three Soon.

Stripping has been started preparatory to graveling Number 93 and the Bau Construction Company will begin to haul material to that stretch within the next week. This will be the second coat of gravel to be given the road between Sumner and Tripoli and should put it in excellent shape.

Effective extermination of weeds, pests such as Canadian thistle and quack grass will be demonstrated at the Charles Thompson home next Thursday morning, August 16. A specialist from the State College will discuss the intricacies of the chemical warfare on these weeds in which

He was taken to his home and appeared to rally nicely, only to sink rapidly into death shortly after five o'clock Sunday morning. The shock of the accident, the loss of blood and the possible internal injuries proved too great a handicap for him to overcome.

Buried Tuesday Afternoon.

Funeral services were held Tuesday afternoon in the St. John's Lutheran Church and burial was made in the cemetery north of Sumner. Rev. C. J. Mardorf officiated. Friends and neighbors left their work to gather at the bier of the young man and testify to the esteem with which he was held.

Spent Life Here.

The young man who was the son of Mr. and Mrs. August Timm, was born on August 29, 1907. His childhood days as well as his entire life were spent in Sumner. Soon after birth he was baptized in the Lutheran church and after attending school and receiving instruction in the doctrines of the church, he was confirmed on Palm Sunday, March 25, 1923, in a class of 24.

Wife and Baby Survive.

He was married on February 22, 1928 to Carolina Dailey. This union was blessed with one daughter, Elsie Rose, and the mother and baby survive, as do his parents, one brother, Elmer, one sister, Mrs. Herman Frisch and many other relatives.

Splendid Young Man.

Timm was industrious and energetic, respected and admired by his associates. That a life of promise should have been so abruptly ended has brought sadness to the entire community.

Harding Farm Improved With New Set of Buildings

A new 22x26, 6-room house, is being erected on the Frank Harding farm seven miles northeast of Sumner, to supplement the new barn recently completed there. Later this year a new hen house, hog house and machine shed will be erected. The farm of 200 acres has been rented for a ten year period to Ed Olds.

The recently built barn is 32x60 with a 16x72 lean-to on two sides. It replaces one destroyed by the wind last year.

The house will have a living room and dining room, and kitchen on the first floor and four bed-rooms on the second floor. There is a basement under all, and it is also equipped with an enclosed porch. It will make a convenient and comfortable farm home.

Community Meeting On Tap Next Week at Niewoehner's

Music, by the Sumner band, vocal and instrumental music, featuring the Sumner Male Quartette and the Richfield Hawaiian Melody Makers, readings, solos, talks, etc., will feature the outdoor meeting of the Fredericksburg township Farm Bureau scheduled for Friday evening, August 16, at the Herman Niewoehner home, eight miles north of Sumner. A detailed program will be published next week.

Steps On Nail; Goes On Crutches For a Week.

Devere Wescott, truck driver for the Pennington Supply Company, stepped on a nail last week and quite naturally punctured his foot. Infection did not develop but the wound caused sufficient pain to necessitate

day, but low bidders and probably contract figures were announced Tuesday.

Only one contract on bridge and culvert construction, on which bids were taken Tuesday, totaled more than \$20,000. It will be obtained on a bid of \$46,322 by A. Olsen Construction Company of Waterloo which will build three bridges and two approaches on U. S. Highway 218 in Bremer county.

Two More Dances Net the Legion a Very Nice Profit

Nuss Brothers & Strohmer furnished a rare brand of old time music for the dance at the Legion hall last Friday evening and dancers of yesterday cavorted across the floor as spryly as they did a quarter of a century ago. Nearly fifty dollars were realized from the event.

On Monday evening the modern conception of dancing was enjoyed by another packed pavilion, Grant's orchestra furnishing the music. Another tidy sum was tucked away in the coffers of the organization after the bills were paid. Wyman's orchestra is scheduled for another appearance here August 19—the old time dances will be suspended until after threshing and fairs are over.

Indiana Visitors Return From a Two Weeks Vacation

Rev. and Mrs. D. I. Hammond and children and Mr. and Mrs. Raymond Hammond and son returned last Wednesday from their motor trip to Indiana. They had been gone two weeks and report a very enjoyable visit to the old home. Their mother, who had been with them here for some time, returned and is again at her home, where the sons report she has made remarkable improvement since her return.

Youthful Builder Designs Aeroplane With Ford Motor

Mr. and Mrs. C. O. Ribbeck were visitors Sunday and Monday at Lime Springs, Rochester and other points. An interesting incident of their trip was the visit Sunday at Spring Grove, near Lime Springs, where an 18-year-old boy is engaged in the construction of aeroplanes, using as his motive power an engine from the new model Ford. They saw the machine in actual flight and report that it is a mechanical marvel.

Former Sumner Boy Shines at Golf in Chicago

Vaylard Hurmence, former Sumner boy, who is now engaged with an investment security company in Chicago is not only making his mark in the business world but is also distinguishing himself as a golfer. At a recent event given by the company to its employees when they were taken to the country club for dinner and golf, Vaylard won a \$40 set of golf clubs and \$8.00 in cash.

Mrs. Harley Wescott Wanders from Home Monday, Found Dead Tuesday

HUNDREDS SEARCH**

**Body Found in Sitting Posture
at Foot of Tree near
Corn Field**

After a search was started about 9:30 Monday night, the lifeless body of Mrs. Harley Wescott was found about three-quarters of a mile from her home Tuesday afternoon at 3 o'clock.

At the time several searching parties were scouring the country south of town, one group of which went through a corn field. "Peewee" McCue, Claude Hammetter and Roger Forsman emerged from the corn field at the same time and found her body on the ground in almost a sitting posture. When found, she was leaning against the trunk of a cherry tree standing in the fence line.

After she was found, Sheriff Frank Sager, who directed the search here Tuesday afternoon returned to Sumner and called Coroner L. D. Jay of Waverly. A local ambulance went to the point and removed the body to Sumner.

Piecing the bits of evidence together it seems that she was last seen about her home Monday noon. Shortly after that Mrs. Joe Woods who lives south of town, and Mrs. E. F. Hammel saw her in the Wescott pasture. Neither could positively determine the time they saw her.

During the afternoon one of the children attending the Wescott school 1½ miles southwest of town saw a woman pass the school walking along the road. The child's description tallied with that of Mrs. Wescott.

During the search along the Little Wapsie stream, a spoon was found not far from the school house, and this was quickly identified as belonging to a set in the Wescott home.

So it seems that after leaving home she walked along the stream until she reached the road south of town, proceeded west along the road past the Wescott school until she reached the line fence, then turned north for approximately a half mile until she reached the tree where she was found.

According to the child's description she was carrying a white jacket which she was wearing when found, and a sack. That her departure was premeditated is indicated by the fact that she had attired herself in freshly laundered clothes. She wore light house slippers, over which she had put on rubbers.

As members of the family think back now, they realize that certain actions Monday morning indicate that her condition had become worse. She had been in poor health for years, and of recent years had suffered from a weak heart and diabetes. Apparently some repairs being made about the house served to increase her nervousness the past week.

Lucile Wescott, the only daughter of Mr. and Mrs. Frank Wescott, died Tuesday afternoon, Aug. 17, 1909, after an illness of but a few days. The news came as a shock to the community as but few knew that the child had been sick. The funeral will be held at the Methodist Episcopal church, of which she was a member, this afternoon at 1:30. Lucile was a bright girl of 14 years, a favorite among young and old, and she will be missed especially by her young associates. Her parents and brothers have the heartfelt sympathy of all in their sorrow.

He has taken up a claim near Roundup, Montana, adjoining claims taken up at the same time by two brothers, and he will rest from teaching and will locate on the claim, living thereon at least until he can "prove up," which can be done by purchase in 14 months. This claim is in a fertile and picturesque portion of Montana, and the happy couple expect to enjoy very much the experience of frontier life. Their car of personal property will leave Lime Springs next month, the boys going in advance to build the houses, and the ladies, one of Dick's brothers being also married, following at a later date.

Guests present at the wedding from away were: F. W. Paulger, wife and two daughters, and Mrs. J. H. Paulger and three daughters, all of Cedar Falls; Mrs. Earl Prosser, Janesville; Lee Canfield and daughter, Cedar Rapids; Thos. R. Roberts, Elkader; Misses Hattie and Nellie Linn, Fayette; Miss Bertha Beal, Greene.

The wedding gifts were generous in number and value.

it was of no consequence. Ants of any kind are a great pest when so near a house.

Ed Wilharm, wife, daughter Lydia, and son Edwin, returned last week from a three weeks trip to the Pacific Northwest, with the Seattle exposition as their terminal point. They saw the magnificent scenery and enjoyed the splendid mountain drives through the scenic splendors of Colorado, taking in Denver, Colorado, Manitou, the Grand Canyon, etc., stopped at Salt Lake City and at Portland, Oregon. They enjoyed the fair very much. From Seattle they took the water route to Vancouver, British Columbia, returning through the mountain scenery of that province which was plainly visible through the windows of the observation car, and which is fully as beautiful as the scenery of Colorado, and of a different kind. Although the Alaska-Yukon-Pacific exposition is a great and praiseworthy show, the trip to and from was really enjoyed the most by the Wilharm party. They made stops at all the large cities enroute, seeing the same by tallyho and otherwise.

Baseball at the Picnic.

In an exciting game at the M. F. Sunday School picnic, Wednesday, the single men got their revenge on the married men for defeating them last time by beating them by a score of 12 to 10. The grounds were rough and this one thing was responsible for the high score. The ball got several hard bumps as Sam Tift who used to play with the U. I. U. at Fayette pounded out two home runs and Jay Nuss got one home run and a three base hit. The married men say they will beat the boys next year by bringing out the whole team.

The line-up was as follows:

Rev. Hall, Sam Tift, A. Waterpaugh, Ed Fortsch, Farmer Wells, A. Nicklaus, C. Austin, F. Thyme, D. Latimer.

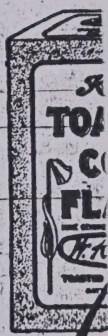

Ray Baumgartner, Jay Nuss, L. Aubrey, A. Fortsch, Leo Wells, Ray Wells, M. Baumgartner, L. Fortsch, Ed Theisinger.

Farmer Wells did the throwing for the married men and Jay Nuss for the single.

Since the theme of the 1994 National Reunion is " Old Fashioned Reunion ", an old fashion recipe seems to be in order. This one for Farmers Fruit Cake is from the kitchen of Cordelia Fairbanks Howland Westcott, wife of Lewis Casey Westcott of Zanesville, Ohio. It came to the editor from Edna J. Lewis, who got it from Ruth Barry, who got it from Dolores Thompson, who got it from Cordelia. Enjoy.

The four basic food groups which consists of 1) milk; 2) meat, poultry, fish, eggs and cheese; 3) vegetables and fruits; 4) bread and cereals, supply the necessary food nutrients — protein, minerals and vitamins — needed by our bodies, when they are prepared properly and eaten daily.

Fruits and vegetables are the main sources of vitamin A, and vitamin C of ascorbic acid. Liver is an excellent source of vitamin A.

Deep green and yellow vegetables should be included in the diet several times a week to supply vitamin A. This vitamin can be stored in the body. Vitamin A is necessary for health of the eyes, and for the structure and functioning of the cells and mucous membranes, such as the lining of the mouth, nose, throat and digestive tract.

Vitamin C is necessary for cell activity, maintenance of the binding material between cells of the walls of the blood vessels, development of the teeth, and health of the gums.

The daily requirement of vitamin C is 75 mg. This vitamin is water soluble and cannot be stored.

Citrus fruits and juices are the best sources of vitamin C; however, some vegetables provide a fairly good supply, especially when eaten in large amounts.

These are some of the foods that contain vitamin C.

1/2 cup cooked tomatoes, 30 mg.

1/4 cantaloupe, 5" in diameter, 30 mg.

1/2 cup strawberries, 45 mg.

Reference: Handbook of Diet Therapy — Dorothea Turner — 1950.

You can see from these figures that orange juice is the best source of vitamin C. There is a little less of the vitamin in canned or frozen orange juice than in fresh, but it would be easy to overcome this difference by us-

Eighteen women were welcomed as members by the Daughters of Isabella, Marquette Circle No. 162, Sunday afternoon at St. Francis de Sales hall in a formal initiation.

The members and candidates attended mass and communion at St. Mary's church at 7:30 o'clock.

Mrs. Margaret Schenk, regent, presented her with a lovely madonna and expressed birthday greetings from all the members.

Mrs. Fred Thiem and Mrs. Ernest Busch presided at the tea table. Net covered the gold taffeta table cloth and a centerpiece of red roses and baby's breath was flanked by candelabra with lighted gold tapers, carrying out the D of I colors of red and gold.

In individual tables were attractively decorated with roses and seasonal flowers.

The following new members will be feted at the next regular meeting, Wednesday, July 1, at St. Francis de Sales hall at 7:30.

Food-Nutrition

By Mrs. Anna K. Jernigan

of Health

The four basic food groups which consists of 1) milk; 2) meat, poultry, fish, eggs and cheese; 3) vegetables and fruits; 4) bread and cereals, supply the necessary food nutrients — protein, minerals and vitamins — needed by our bodies, when they are prepared properly and eaten daily.

Fruits and vegetables are the main sources of vitamin A, and vitamin C of ascorbic acid. Liver is an excellent source of vitamin A.

Deep green and yellow vegetables should be included in the diet several times a week to supply vitamin A. This vitamin can be stored in the body. Vitamin A is necessary for health of the eyes, and for the structure and functioning of the cells and mucous membranes, such as the lining of the mouth, nose, throat and digestive tract.

Vitamin C is necessary for cell activity, maintenance of the binding material between cells of the walls of the blood vessels, development of the teeth, and health of the gums.

The daily requirement of vitamin C is 75 mg. This vitamin is water soluble and cannot be stored.

Citrus fruits and juices are the best sources of vitamin C; however, some vegetables provide a fairly good supply, especially when eaten in large amounts.

These are some of the foods that contain vitamin C:

MR. AND MRS. R. A. WESCOTT of Keokuk celebrated their Gold Wedding anniversary Sunday as guests of honor at an open house and reception in the home of their daughter, and son-in-law, Mr. and Mrs. John D. Buss in Hamilton. Here for the occasion was their other child, Carroll F. Wescott of Minneapolis, as well as many relatives and friends who felicitated them on the occasion. The couple was married in Keokuk June 16, 1909.

tato, 17 mg.

1 raw tomato, 2" x 2½", 35 mg.

½ cup cooked tomatoes, 30 mg.

1 cantaloupe, 5" in diameter, 30 mg.

½ cup strawberries, 45 mg.

Reference: Handbook of Diet Therapy — Dorothea Turner — 1939.

You can see from these figures that orange juice is the best source of vitamin C. There is a little less of the vitamin in canned or frozen orange juice than in fresh, but it would be easy to overcome this difference by us-

on civil rights bill

By William L. Eberline

DES MOINES (AP)—The civil rights issue comes to the fore in the Iowa House this week.

The House has set debate as a special order of business starting at 10 a.m. Tuesday on a bill, sponsored by 54 Democrats headed by Rep. Roy Gillette of Ames, to establish a state Civil Rights Commission.

The debate probably will be prolonged and lively, since 24 amendments were on file and more were expected.

Demo plank

Civil rights legislation is a plank in the ambitious program set out in the Democratic state platform, which in large measure has shaped and guided deliberations of the legislature thus far in the 1965 session.

The bill would repeal a much less detailed measure, passed by the Republican-controlled 1963 legislature, to make it illegal to discriminate in employment against any person because of race, religion, color, national origin or ancestry, or for any labor union to deny membership to any person on any of these grounds.

It also would repeal two long-standing sections of present law guaranteeing all persons "full and equal enjoyment of the accommodations" of hotels, motels, restaurants, barber shops, public conveyances or places of amusement.

In their stead, the bill would outlaw discrimination not only in employment, public accommodations and labor union membership, but in housing, apprenticeship and on-the-job training programs, and vocational schools.

The measure would set up a seven-member bipartisan commission, appointed by the

governor with Senate approval, to seek an end to discrimination on grounds of race, color, creed, religion or national origin.

Mrs. Wescott's death occurs suddenly Sun.

Mrs. Ella Wescott, 77, died at 8:30 Sunday night in her home, 623 Concert street. Although she had been in failing health, her death was quite sudden.

Member of an old Keokuk family she was born April 5, 1887, in Keokuk, the daughter of the late G. N. and Anna Case Vermillion and had lived here all her life with the exception of from 1909 until 1933, when she lived in northern Iowa.

On June 16, 1909, she was married to Raymond A. Wescott in Keokuk. He survives.

Mrs. Wescott was a member of the First Congregational church, the Quid Libet, the Ethel Evans Circle of King's Daughters and Chapter U, of P. E. O.

Surviving besides her husband are a daughter, Mrs. John D. (Marcia) Buss of Hamilton, a son, Carroll F. Wescott of Minneapolis, a cousin, Miss Nellie Schueler of Keokuk, five grandchildren and other relatives. The last of her family, she was preceded in death by three sisters, Miss Lottie and Miss Alvie Vermillion and Mrs. Emma Ferree and a brother, Louis G. Vermillion.

Funeral service will be held at 3:30 Tuesday afternoon at the Schmidt Memorial Home with the Rev. Horace W. Parsons officiating. Interment will be in Oakland cemetery.

WIFE - Mary Maria Lowe (Continued)

Services will be held this afternoon at 2:30 from the home. Rev. W.H. Mitchell, pastor of the M.E. church officiating. Burial will be made in the family lot at Wilson Grove cemetery.

Mary Maria Lowe was born near Manchester, Delaware County, October 28, 1865. While still a small child her parents moved on a farm two and one half miles north of Sumner, and she learned her three "R's" at the Pleasant Valley school which still stands in the same location.

It was in Sumner that Mary Lowe was married to G.A. Liebfarth. Business affairs later took Mr Liebfarth to Keokuk, Iowa and it was in the southern Iowa city that the two children, Floyd and Hazel, Now Mrs William Landahl, were born.

Mr and Mrs Liebfarth moved later from Keokuk and lived in Buffalo, New York, Toronto, Canada, St. Paul, Minnesota, and Chicago, Illinois. A year ago last fall they bought the old Lowe homestead and Mrs Liebfarth came to spend the autumn days of her life in the home of her childhood. A zealous worker in the church and lodge, capable and efficient in her home, possessed of an unusual amount of energy she speedily renewed old acquaintanceship and made many new friends in the community in the short while that she was able to be around. It was all too short a time, however, as soon after her arrival here, Mrs Liebfarth's health began to break rapidly, later diagnosis confirmed her worst fears and although conscious that she was fighting a losing battle, that indomitable pioneer spirit persisted and she never would admit defeat. Through disheartening days and nights of anguish her ready humor and quick repartee flashed through the gloom in all her conscious moments. Time after time the tiny spark of life flickered feebly in her frail body than rallied and Mrs Liebfarth lived on the the amazement of all who were near her during those days of suffering.

Upon her death it could be justly said that a truly heriic soul was called from the frail body. Mrs Liebfarth's presence passes but the memory of her many virtues will live forever in the minds of thouse who knew her best."

Subject: Thoughts...

Hi Gladys and Faye,

Thanks so much for your input on the pictures. Yes, I think we are on the right track with the four ladies. I think they may be Helene, Mary, Lillian and Belle. They all look quite a lot alike. I believe the lady second on the right (with the light hat) is Lillian. The others, I can't tell who is who. The picture I sent of Belle was interesting, as it was the back of a postcard written to grandma Pearle. She was pointing out the lilac bush behind her to grandma and signed it Belle.

Yes, I was very surprised to find the picture of Ann Jones Lloyd--a very old picture and never expected to find anything from that long ago. In the envelope with it and a picture of Ann Lowe, there was a clipping with a very faded picture from a newspaper entitled "Five Generations Are United" about the Lowes. Of all the maddening things, whoever cut it out snipped off all but three or four lines, so I could only read a little.

After comparing the picture of the one I had sent awhile back with Uncle Hallis written on it to the one I just sent with the question mark, I do believe it is Hawley Brooks Lowe. The two men certainly look to be the same gentleman. As the children do not look very old, the third child he had probably just hadn't arrived yet.

As for the bearded one, too many whiskers, can't tell much about him. But I agree--he doesn't really look like a Lowe. He will likely remain a mystery...

That's about it for now. Hope you are both having a good Monday..

 Subject: Nice Out

Hi Gladys,

What a lovely day - so far. Guess it will be raining at some time. Men were here polishing off the sidewalk and other things. They have quite a list of things that I need done so they will get at it eventually. I went out and swept those little brown thingees off the stoop and swept some of the crud off the house. Took the recyc. out to the alley and brought in the garbage can. Sure enjoyed being out. Not sure of the men will be back or not but gone right now. Had a shower and breakfast so now have to get to work.

Checked out the pictures Tom Miller had sent and found 3 of them with this Lowe woman on it. At least things point to it being Belle Lowe and husband. She wrote a letter back to the newspaper she worked for in 1906 describing the trip to Colorado. In the picture, is another couple and I just can't place them. This woman is taller and has light hair and is pretty. I wondered if it was Pearle Lowe and husband -- Jenner. The rest of the people are Stone's wife and dtrs. and Tom's father. They are not all that easy to see or would send picture copies to you. Thought if we got together soon could look them over and make some guesses. Belle was married by that date and so was Pearle but she did have some kids around that time so might not be her. Maybe Mary Maria and I would need to check on dates for her. At that time, don't think woman would travel with a man unless married to him. The one I think might be Belle was a very small woman. Mysteries.

May 8, 1865 - mel 1887 d. 1927 Burlington

Have to go to Dbq. tomorrow for the attachment. Guess I can stand it for 48 hrs.. Wish the weather would be nice enough to go walk in the park while wearing it but sounds like it will be raining. Tired of that stuff. We got a shower last night and that was about it. At least it settled the dust a bit.

I am so full of ham don't think I can eat anymore so better wrap it up good and freeze it for later. Sure hit the spot. I always make my mother's fruit salad for holidays but Mike can't eat it so didn't bother. Very simple - orange, apple, banana, sprinkle with powdered sugar and let set till makes juice and stir it around. You can increase ingred. for number of people you are serving. We always had that and I loved it. Sometimes we threw in some nuts and that was good, too. If I had orange juice on hand, used a bit of that for the dressing, otherwise mash the oranges to make some juice.

Old saying is that when someone dies, there will be 3 more deaths. The farm accident took one and on Easter, we lost 2 more of the community. One was a young man, 26, who had a brain tumor. The other was a woman who had a heart attack at the bowling alley and they could not revive her. She has had poor health for quite sometime. Think she was about 10 years older than me. So now we should be okay for awhile. Did not know Travis but his father was here to take the wrinkles out of my carpeting last fall.

Think I will lock the house up and go walk by the river for a bit. Beat out the rain. Maybe I will get some energy and get this gen. mess back in order. That would take a month, I think.

Have a good day and enjoy yourself. We will manage to get together one way or the other. Maybe we should try to go earlier in May to avoid any problems? To DM, I mean. Could leave on May 9 or May 16 if it would work out with Bob and June. I could tell Richard you couldn't go when we had planned so we wouldn't be going when he can go.

Hi Gladys,

What a lovely day - so far. Guess it will be raining at some time. Men were here polishing off the sidewalk and other things. They have done a list of things that I need done so they will get it eventually. I went out and swept those little brown things off the stoop and swept some of the dirt off the house. Took the recycle out to the alley and brought in the garbage can. Since enjoyed being out. Not sure if the men will be back or not but gone right now. Had a shower and breakfast so now have to get to work.

Checked out the pictures Tom Miller had sent and found 1 of them with this Lowe woman on it. At least things point to it being Belle Lowe and husband. She wrote a letter back to the newspaper she worked for in 1906 describing the trip to Colorado. In the picture, is another couple and I just can't place them. This woman is taller and has light hair and is pretty. I wondered if it was Pierre Lowe and husband - Jennifer. The rest of the people are Stone's wife and daughter and Tom's father. They are not all that easy to see or would send picture copies to you. Thought if we got together soon could look them over and make some guesses. Belle was married by that date and so was Pierre but she did have some kids around that time so might not be her. Maybe Mary Maria and I would need to check on dates for her. At that time, don't think women would travel with a man unless married to him. The one I think might be Belle was a very small woman. Mysteria.

Have to go to Doh tomorrow for the attachment. Guess I can stand it for 48 hrs. With the weather would be nice enough to go walk in the park while waiting it but sounds like it will be raining. Tired of that stuff. We got a shower last night and that was about it. At times it scolded the dog a bit.

I am so full of him don't think I can eat anymore so better wrap it up good and freeze it for later. Since hit the spot. I always make my mother's fruit salad for birthday's but Alice can't eat it so didn't bother. Very simple - orange, apple, banana, grapes with powdered sugar and for all makes juice and eat it around. You can increase ingested for number of people you are serving. We always had that and I loved it. Sometimes we throw in some nuts and that was good, too. If I had orange juice on hand, used a bit at that for the dressing, otherwise mash the oranges to make some juice.

Old saying is that when someone dies, there will be 3 more deaths. The first accident took one and on Easter, we lost 2 more of the community. One was a young man, 36, who had a brain tumor. The other was a woman who had a heart attack at the bowling alley and they could not revive her. She has had poor health for quite sometime. Think she was about 10 years older than me. So now we should be okay for awhile. Did not know Tom's but his father was here to take the wrinkles out of my carpeting last fall.

Think I will look the house up and go walk by the river for a bit. Then out the rain. Maybe I will get some energy and get this gear mess back in order. Then would like a reward, I think.

Have a good day and enjoy yourself. We will manage to get together one way or the other. Maybe we should try to go earlier in May to avoid any problems? To DM, I mean. Could leave on May 9 or May 10 if it would work out with Bob and June. I could tell Richard you couldn't go when we had planned so we wouldn't be going when he can go.

Hi Gladys,

Found out yesterday that all the Sumner newspapers are available to read on line. Could not tear myself away from them. Eerie thing was when reading one article, right above it was a jewelry ad showing a chain with the eyeglass on it like in the two pictures. Perhaps Belle had a weak eye and needed it for reading so wore it all the time. Or, could have been a fad of some sort at the time. Anyway, I stick with what I see in the picture. And, I have had to guess at the years in some of the old pictures I found but did put a question mark behind the year. My mother let my nieces write on her old pictures and they were really screwed up. So, think that 1998 date is correct but not Lillian in picture but Belle. With the dress she was wearing, could not see a chain and eyeglass. Think those girls had lots of Lowe and some Lloyd in them except for Pearle and she looked like her mom when young. Not so much in the older picture. People do change.

In Helene's obit. in the paper, she mentioned they lived in St. Joseph, MO, for a short time and then went to Kansas. Wonder if they had kin there? Also, found an article where Lillian went to Texas for her health and then in an earlier article (which did not find yesterday but found when I lived in WU) Hawley also went to Texas for his health. Lillian went to Fort Worth but did not say where Hawley went. Now, if they had people there to visit, who were they? More questions with no answers. I was reading those papers the better part of the day so never did get much done. Fascinating.

Will get my hair done this aft. as thought I had to be in Dbq. tomorrow but called it off due to the crazy weather. Need to pick up my eyedrops, too. I swear they are putting less in that teeny little bottle all the time.

Finally froze the little bit of ham left and will use it with eggs sometime. It sure was good and didn't make me thirsty at all. Will have Dirk send another one sometime. Should think about having my class here this summer and they all seem to like ham so that would be okay to fix. We have a pot-luck but the host/hostess does the meat.

My fix-it men are all done here now. They put the ground back around the sidewalk and put up my old kitchen cupboard section in the garage so Michael has more room to store his blasted junk. Now need to think about having those windows replaced. Then will need to cool it on the money spending.

Do you have any plans for Friday? The weather is suppose to be decent and kind of thinking about driving down to the mall. Not sure yet but ready to get out of town and do something. Should have the spring/summer clothes in the stores. Only thing I really need is a very lightweight jacket. Let me know if you could meet me if I come down.

Got to go.

was that. It was taken in Kansas City, Mo as that is where Allie was living in 1924 when she died but I can't tell for sure which one is her as she looks so close to the age of Ann Loyd Lowe, her stepmother as Allie was b. 1853 and Ann was born 1843. I think the one behind the little girl was Mrs A.J. Lowe but other lady peaking out looks older but not like pic we have of ann Loyd Lowe so then the other lady on the right would be Allie. We have no pictures of Andrew and Mary Loyd Lowe so this is great. So pic has to be before 1924 but bet not much before because of little girl, have no little girl in that family for that time period.

The post card was mailed to Pearl Jenner in S Dak. I have no idea when they were living in SD either.

Think there was a census when didn't find Pearl but can't remember now.

Allie had 2 daughters, Agnes who had a son and Pearle who had 2 daughters Helen b. 1900 and Pauline b. 1903 so probably one of the daughters with her own dau but have no record of them other then who they married and think now when.

Sure you are tired after all that going as know don't think can do much of that any longer. Lucky to get out for hour or two but I know it has been hard to go run around a half a day when was feeling good so know not possible right now. Can't imagine anyone eating that much food at one sitting but sure sounded good.

Did splurge and ordered a pizza but had a coupon and went after it as only a mile away, didn't want to pay to have it delivered so called and went after it. Only can eat 2 pieces so have the

Hi Gladys,

Looking at the 5 gen. picture, in front is baby next to mother, mother next to her mother, and in back on left, am sure it is Ann Lloyd Lowe next to dtr., Allie. Ann looks quite tall in all her pictures and it looks like the pictures we do have of her. So, my guess is Allie Lowe Parsons on the right in back. Wish we had the whole article. Will see if they have any newspapers on line for that time and place to see if we can find that picture. Know that would be too good to be true. Did find that Ann Lloyd Lowe spent the better part of the year of 1907 in Severance, KS, and in Topeka, KS. She returned to Sumner in Dec. 1907. Not sure if that is of any help in identifying the baby in the picture.

Now I found a mystery. In familysearch, have John Evan Lowe, son of Andrew and Ann, married Muriel RUTHLOW but all the other information is the same as for Laura Bessie Mustard. Can't figure out where they got that name but John did have a dtr., Ruth. Have you ever run across this information ?

Also, found an obit. for Hawley Brooks Lowe, He died May 15, 1932, Funeral services were held Saturday from a funeral home in Wichita and the body was taken to Topeka, KS, for burial beside the remains of his wife. Don't think you had a date of death.

Working away at getting all these copies in the right place and no easy job. Would like to know when Douglas Lowe died and where. Wonder if he could be buried in the same grave as his mother, Mary Lloyd Lowe, in Hopkinton.

Better keep at the gen. work. Making a bit of headway and at least got the kids of Andrew lined up so can put copies that relate to them behind their sheet.

Your pizza sounded good. No Mike today as had to work. Want to get to church at 5 tonight and then can do whatever.

Hi Gladys,

Sure hope your punies pass and you get feeling better. I know I have to stay away from iceberg lettuce as runs through me and don't feel good from it. I usually buy the romaine and have pretty good luck with that type. You could be picking up a bit of flu as they say it is going around again. Some people have it for 24 hrs. and some a few days. Also, with Sheri and Gayle both having serious problems, you are most likely stressed more than a little. Try to sip fluids and rest yourself and hope it passes.

Lillian Lowe went to Texas Sept. 13, 1894. She got around for being so ill. She went to the World's Fair in Chicago for a couple of weeks in June 1893, too. Her brothers took her to various Drs. trying to get some help for her illness. She was with Stone and then when she went home, Hawley met them part way. All in those wonderful newspapers on line. They appear to be a very loving family and maintained close ties with each other.

Those eyeglasses were enclosed in a metal case similar to a locket. You snapped them open or slid the lens out to look at things you could not see clearly. Think she must have had one good eye and one weak one and that is why she settled for the eyeglass and no glasses. Or, maybe that is what was in fashion at that time.

Went and had hair done and nearly froze. When she gave me the shampoo, made it worse. Dryer felt so good almost climbed inside of it. Had to pick up eyedrops and then some groceries and then home again. Glad to get back in the house where it felt warm. Not sure but thought I heard there might be some snow after midnight and would not surprise me. We think it should be warm but really would be early for it. Just impatient for nice weather after the long winter.

Stopped at the L&J for some late lunch and had a turkey and dressing sandwich and some yellow cake topped with strawberries and Cool Whip. Hit the spot and won't need to get any supper tonight.

We can wait to see what tomorrow brings and how you feel before making any further plans. Would be nice to get away but no fun if you are not up to par.

Later.

Hi Gladys,

Did find notice of death of Julia Jane Parker (Hawley's wife) in the Sumner paper. She died November 24, 1907, from the effects of an operation. Ann Lloyd Lowe was visiting John Evan Lowe and attended Julia's funeral at Topeka, KS. So, we have another date to add to the information. Think that picture of the 5 gen. was taken that year Ann was in Kansas -- from spring of 1907 till Dec. of that year. Notice in the picture that the tall lady is dressed in an older fashion than the shorter one in back, which I believe is Allie. Allie's dress is a bit more modern than Ann's. Now, which of Allie's dtrs. is the grandma? If baby is so young - was she born 1906 or 1907? More questions.

Not doing too bad getting an Andrew book lined up. Running around gathering up all the copies I have made relating to the family members. Will be interesting to read over next winter on the long cold evenings. They sure did travel a lot and seemed to all be quite well off. Andrew did raise stock and horses besides income from being a JP. They ran that stagecoach stop at Whitewater and he may have made quite a bit of money there. I looked for Lowes and Gores in St. Joseph, MO (Buchanan Co.) and found scads of Gores. Not sure if they were our people or not. I am wondering if the cold Iowa winters did not agree with Andrew as he aged and that is why he wanted to move south. As some of the kids lived there, maybe he wanted to be near them as think they were very fond of their children and raised a nice family that did well for themselves. Would be so neat if a person should sit down and visit with them all and hear their stories.

Think I have fished everything out of the Sumner papers that I can. Those sure were the days when they put every little item in the paper and won't find that nowadays. You could learn much from those little tidbits about the family's comings and goings.

Well, back to the grindstone.

Hi Gladys,

Well, Michael was here and gone. At least I thought he was - then heard him at the back door. He found out they were finding a few mushrooms and he was all primed to go hunt for them. I think he had the strong desire but physically, just not up to it. When he started doubting whether to go, I said maybe he should just wait as was getting late to be out in the hills. Finally decided he would let it go till next week. He surely does love doing that type of thing.

Sumner papers are from 1881 until way late. You can scroll down and click on the year from to year to for searching. Then you can enter a name, Lowe, Parsons, Jenner, whatever, and they will pull up the papers that name appears in and you can click on it to see what the article says. Lots of information in those old papers. I even found where a Mr. and Mrs William Lowe and son Billy were visiting in a Dr. S. B. Zoller's home. That was in 1941. Going to look at that a bit closer.

We had our hamburger soup for lunch and then I did up the dishes that were there and came in to search a bit on the computer. My ink cartridge has about had it with printing out all this stuff. Should have picked one up in Dbq. on Friday. Thought about it but didn't want to run to the store.

Have you been taking Tylenol for your aching? I usually take aspirin when I hurt as never have had any problems with it and I think it does a better job. Know the Drs. all push Tylenol and that is okay, too, but when I really hurt, the aspirin does a better job.

Going to get off this computer for the day. Getting tired of researching so will just relax. Have left-over pizza for my supper and then can just wait until Barney Miller comes on to watch. Sure hope Dirk calls before it is time for Barney. He likes to call about the time he is on and then talks all the way through it. Can't win.

Later.

Hi

I'm going to send this to both so don't have to say it twice. There seems to be so much difference of opinion on these pictures and if you start picking apart what is already written and think it isn't what was written or the year then you are in trouble as you are going to question every picture that has a name on it and I don't think that is right but do think the date could be altered if by memory but have problem with who the person is as thinking the one writing the name would know that, but sometimes that even has been wrong as well.

Faye has different ideas then I do on these pictures. so will forward that to you Judy and I will say what I think.

The pic of the 4 gals I really think could be the 4 sisters but if Lillian was in it then was taken before 1895 and yet could have been just a year or so before or 1895 before Aug. The gal on the far left, that just no other pic of could be Mary Maria and she looks like she could be pregnant and Mary did have a child in Apr 1895 in Keokuk, IA and had a dau Hazel which have no date of birth and Helene had child Oct 1886, June 1892 and Mar 1895. I really don't think the one on the left is Helen, however I do think the one sitting in front could be her by looking at the face and eyebrows. Although I have trouble with seeing that these gals would have been born 1863- 1865- and 1871-1873 and Pearl 1886 and if 4 daughters of Andrew and Ann picture would have been when little younger or else they look younger then they are or picture was taken when younger and nothing just fits right for sure to me.

The likeness of the gal sitting when younger to Helene when older, you see the same arch of the eyebrow where others don't have quite that arch. But the age of them again just doesn't appear to be what they should be. Helene b. 1863 and if pic taken in 1890's Helene would be 30 and none of them look that age to me. So really at a loss.

Pic dated 1898 could be a wrong date or it wasn't Lillian with her mother and sister and so now we would have to assume the date is wrong or the name of Lillian is wrong and I don't like to try and change what someone has written, where as a date could be off where the person could be right. We are safely sure the pic was of Ann, mother and Pearl, but maybe Pearl was little younger and it was Lillian so date would be off, if date is right then who would the gal be, Belle as mother just lost one dau and thought to get pic of the last two daughters that were still at home, possible. You have the eyebrows to consider and hairline as Faye mentions as well.

But I just don't want to start second guessing what is written on the pictures, but depending on who put the names on and date, might be wrong but we have nothing to judge if right or wrong so I think best to just go with what we have from the pictures and put what we think and leave it as it is. Unless we get other pictures of these people, it isn't our place to go changing who they might be and I think all the looking and studing will not get us very far as to who they actually are. So maybe you, Judy will come up with some more info on this family before we can conclude all is lost for who is who.

Eyebrows are different on the different gals, Belles look more rounded and Helene's are definately arched in older pic and the gal sitting in the picture's eyebrows are also arched and couple other a very little bit but not as much. Lillians a little arched but not as much as Helene's. Back then no one changed their eyebrows so I think this is something that could be studyied also. They did change hair styles as they changed clothes styles but eyebrows didn't change.

So we have 5 daughters of Andrew:

Helene b. 1863 d. 1932 m. 1884 child b.Oct 1886, June 1892, Mar 1895

Mary Maria b. 1865 d. 1927 m.1887 child b. Apr 1895 and dau bef or aft?

Lillian b. 1871 d. Aug 1895

Belle b. 1873 d. 1912 m.1901 No children

Pearle b. 1886 d. 1960 m. 1903 1st child 1905

Now try and figure out who are in the picture of the 4 gals and when was taken.?????????

So much for that, am just going to go with what have and not second guess anyone and if other pic show up that will tell us more then great, otherwise unnamed ones will just stay unnamed with note that could be these gals but not for sure.

Gladys

 Subject: More About Pix

Hi Gladys,

Got hung up studying those pictures Judy sent to us. On the one marked 1898 showing Pearle Lowe, age 12, Ann Lloyd Lowe, and Lillian Lowe. Well, Lillian died in 1895 - can't be her. However, if you look at Belle standing by the bush and study her hairline, you will see it is the same as the woman that is suppose to be Lillian. So, I think that Belle is in the picture with Pearle and Ann. Also, think that Pearle would be 12 at that time. Young looking but the braids might be part of it. When I was a kid, people never believed I was as old as I was - even into high school, so think that picture is right on the date. Now, on the picture of the 4 gals, The one standing (sort of) I think is Helene and she does look older than the others. She is leaning towards the one I think is Lillian as she has her bangs forward as they are in the picture of her alone. So, that leaves Mary Maria as the one with dunce cap on her head (looks kind of like one). Now, both Helene and Mary gave birth to children in March and April of 1895. I think the one sitting down looks like she could be pregnant but might be the way she is sitting. They moved back to Sumner in 1892 so the pictures were taken between then and late 1894 as the ladies would show if they were very far along. Clothes look like winter ones so that might help in pinning down the time frame. Noticed in the picture of Belle by the bushes, she has a long chain around her neck, gal in sisters picture that is on the floor is wearing a long chain, also. Do you suppose it is a watch or perhaps a magnifying glass that she used. She did work on the newspapers and might have used it to read find print. Not sure when she started working for the papers. What do think about all my ideas? I think I might be on the right trail.

Made an omelet this morning and did the dishes and not much else as got looking at those pictures again. I wonder if Ann Lloyd wanted a picture of the 4 dtrs. together as knew Lillian's health was poor so wanted it taken before she got real sick. Bet she was glad she had that picture as all very good-looking gals and I bet good daughters. The one I think is Mary Maria is the only one we have no picture of at all. She was married in 1887 and might have been home for a visit so that, too, might have been the reason for the picture of the 4 of them. She does look like she is expecting but might just be slumped and not sitting very straight. Will we ever know?

Sun is trying to peek out but don't think it will make it. Went to bed before 11 and was so tired and just dropping off when our storm warning siren blasted off and it is one long steady blast. So, got up and came downstairs to see what was happening. Not much in my area but hard rain. No sure if they sighted a tornado or just a warning for high winds. Anyway, went back to bed and fell asleep. Was up early but not getting much done.

I'm not worrying about Richard as he was suppose to send me a schedule of his trip and haven't seen one yet. He will find out we went earlier when I get back. I am telling him you have Dr. appts. later in the month so that will take care of any questions he might have about it. He won't know the difference. We can visit at my place and in Dbq., too. I guess he just likes to save money when he can - his father was that way, too. Would have been okay except for him catching a bus in DM. No way I would drive there and with Bob's eye problems, best we don't count on him.

Tried to find information on any photographers in Sumner in that time era but no luck. I think the name on the bottom of the 4 gals picture looks like La Mount but there is more I can't make out. Wonder if I took it to the copier place if they could darken it so that part would become clearer? Worth a try, I

But Helene had child out 1886 & June 1892

We have a pic of Helene when older & doesn't look like one on left -

Pic dated 1898 is either wrong date or wasn't Lillein so which
fact do you not believe - the date or name of person. I think
date wrong & was Lillein before she d. 1894-5 & Pearle not 12 but

other person. Not sure some one if actually named the people would
be mistaken, when date could be off

The Harlene does look similar so maybe is Belle & not Lillein

start not believing what is written on the pictures there where does it

 The Jenners were in N. and S. Dakota but not around 1904. He was a railroad telegrapher when they were married and followed that profession, I think. I found the following: Violet Jenner b. 16 Jul 1906, d. 28 Sep 1997, soc. sec. card issued in S. Dakota, Genevieve Jenner b. 30 Apr 1911, d. 18 Jul 2004, ss card issued S. Genevieve is buried Miller, Hand Co., S. Dakota - GAR Cemetery. There is an Elce Jenner listed as a member of Parker Methodist Church, Parker, Turner Co., S. Dakota - could be Eloise Jenner? Have Vincent Jenner marrying Myrtle Marguarite Hunt 7 Aug. 1926, Olney, Richland, Illinois. So it looks like they were in the Dakotas when the kids were in there teens.

Thought maybe you would wear out the problem with your arms. When you walk your treadmill, you haven't changed the way you hold on when walking, have you? Could that have anything to do with your arms?

Getting tired so will get off to bed. Might go to lunch in Andrew tomorrow - and then again, might not. Will see in the morning.

Been long day, as everyday seems to be right at the moment. No different. Called heart Dr's nurse as she asked me to and no better then was on Thurs but no worse, she says could be fibermialgia, could be but doubt, she said just doesn't sound like heart. They will have to prove to me it is that before I take the meds for that as have taken it before twice and messes up my vision a lot as it did when Sheri took the same meds. But I was taking it for different reason and she was taking it for fibermialgia as she has it. Which doubt is that but could be aftermath of stroke and don't think is that either but the worse weakness did come on pretty quick if you can consider 3 weeks quick. She said since turned 75 and told her yes that was exactly what it was

Dear Cousins,

I wanted to fill you in on what is going on in my life. Two weeks ago, on March 10th, my aunt Eloise died unexpectedly. She was mother's youngest sister (at 89), so now mother is the only sibling left of Lewis and Pearle's seven children. It has been a jolt to mother. My aunt just went in the bathroom to get ready for bed, said she had a pain in her side and then passed out. My uncle called 911 and they took her to the hospital, but she died an hour later. We figure it was likely a heart attack, but will never know for sure. She was cremated and didn't want a service. Anyway, I got home four days later on my planned trip and have been busy trying to help out my uncle and taking care of things for mother.

Part of the helping out included going through boxes of old pictures--ah, yes. My aunt saved everything, but my uncle is just the opposite. I thought there might be boxes there of interest. I hope I get a chance to go through more boxes on my next trip and salvage any family history. Anyway, I found some interesting things. My best find was an envelope marked Lloyd Lowe. Inside were pictures of Ann Lloyd Lowe and a very old photo of Ann Jones, my great-great grandmother. I also found pictures of several brothers and sisters of grandma Pearle. Fortunately, the names were on most of the pictures. There are pictures of Helene Lowe, Stonewall Jackson Lowe and family, John Even Lowe and family, Belle Lowe and Lillian Lowe. Also, there was the actual photo of Andrew Jackson Lowe and Ann Lloyd that was posted online that you had told me about. There were a few mysterious photos with no names, but very old, so I saved those too. If you are wanting me to copy some of these photos, I would be happy to send them along.

I hope everything is going well for both of you. I am very tired mentally and physically as I just got back from IL last night. But I have to keep going, and now I am starting on a kitchen remodel in a few days, so my calm environment will be a mess.

Write when you have a chance. I enjoy hearing from my cousins.

I hope I got a chance to go through more boxes on my next trip and salvage any family history. Anyway, I found some interesting things. My best find was an envelope marked Lloyd Lowe. Inside were pictures of Ann Lloyd Lowe and a very old photo of Ann Jones, my great-great grandmother. I also found pictures of several brothers and sisters of Grandma Pearl. Fortunately, the names were on most of the pictures. There are pictures of Helene Lowe, Stonewall Jackson Lowe and family, John Ever Lowe and family, Belle Lowe and Lillian Lowe. Also, there was the actual photo of Andrew Jackson Lowe and Ann Lloyd that was posted online that you had told me about. There were a few mysterious photos with no names, but very old, so I saved those too. If you are wanting me to copy some of these photos, I would be happy to send them along.

I hope everything is going well for both of you. I am very tired mentally and physically as I just got back from IL last night. But I have to keep going, and now I am staying on a kitchen remodel in a few days, so my calm environment will be a mess.

Write when you have a chance. I enjoy hearing from my cousins.

Hi Gladys,

Curses - our emails crossed in the mail again. I think we are in accord on the gals and definitely think that chain with eyeglass is a good clue for Belle. I think you would enjoy that site with the newspapers - you can enlarge the print to read just like a reader at the library. All you have to type in is - Digital Archives of Sumner Public Library - all kinds of info in those papers. Also, I found a picture of McClellan Reed - about died when that came up. The Lowes were sure active people in that community.

Me again,

Last time looking at the pic of the 4.

My opinion, oldest is Helene and believe the one in center back with light hat is Helene.

One one left looks little younger but not by much and maybe pg or just was, so think is Mary Maria (which we have nothing to go by for her at all.

One with her hand to her face on right still believe might be Lillian, which meas was taken before Aug 1895.

One down front then would be Belle as she was the youngest and this one looks the younger of any of them.

If the picture is of sisters and they are Andrew and Ann's just about only way can work but we don't know that is the case so will just guess since Pearle was the very youngest and she isn't there, would make sense to have pic of the 4 older daughters one time, although Pearle hadn't been born yet, which is why only 4 that was living.

Not sure if said before eyebrows looked little differen, not can't remember which one said was who so now have looked at the picture for last time and looking at ages as best I can this will be my last thought on who is who. As think did think Helene was one sitting because of shape of eyebrows, but see she is younger then others and so that can't

Subject: More on Pix

Hi Gladys,

Found out yesterday that all the Sumner newspapers are available to read on line. Could not tear myself away from them. Eerie thing was when reading one article, right above it was a jewelry ad showing a chain with the eyeglass on it like in the two pictures. Perhaps Belle had a weak eye and needed it for reading so wore it all the time. Or, could have been a fad of some sort at the time. Anyway, I stick with what I see in the picture. And, I have had to guess at the years in some of the old pictures I found but did put a question mark behind the year. My mother let my nieces write on her old pictures and they were really screwed up. So, think that 1998 date is correct but not Lillian in picture but Belle. With the dress she was wearing, could not see a chain and eyeglass. Think those girls had lots of Lowe and some Lloyd in them except for Pearle and she looked like her mom when young. Not so much in the older picture. People do change.

In Helene's obit. in the paper, she mentioned they lived in St. Joseph, MO, for a short time and then went to Kansas. Wonder if they had kin there? Also, found an article where Lillian went to Texas for her health and then in an earlier article (which did not find yesterday but found when I lived in WU) Hawley also went to Texas for his health. Lillian went to Fort Worth but did not say where Hawley went. Now, if they had people there to visit, who were they? More questions with no answers. I was reading those papers the better part of the day so never did get much done. Fascinating.

Will get my hair done this aft. as thought I had to be in Dbq. tomorrow but called it off due to the crazy weather. Need to pick up my eyedrops, too. I swear they are putting less in that teeney little bottle all the time.

Finally froze the little bit of ham left and will use it with eggs sometime. It sure was good and didn't make me thirsty at all. Will have Dirk send another one sometime. Should think about having my class here this summer and they all seem to like ham so that would be okay to fix. We have a pot-luck but the host/hostess does the meat.

My fix-it men are all done here now. They put the ground back around the sidewalk and put up my old kitchen cupboard section in the garage so Michael has more room to store his blasted junk. Now need to think about having those windows replaced. Then will need to cool it on the money spending.

Do you have any plans for Friday? The weather is suppose to be decent and kind of thinking about driving down to the mall. Not sure yet but ready to get out of town and do something. Should have the spring/summer clothes in the stores. Only thing I really need is a very lightweight jacket. Let me know if you could meet me if I come down.

Got to go.

Faye

be, so would have to be Belle.

Lots of looking and thinking and rethinking about all this. Not even going there to recharge thinking on Mother, Pearl and whoever?

Later,
Gladys

I located one Lillian Lowe b. 5 Jan 1897 who died Oct 1979 from San Mateo, East Palo Alto, CA, last money sent to zip 94303 from the Social Security CD index but not sure this is her. Received letters from brother Tom Miller who lives in Albuquerque, NM on these families also. Update from brother Tom Miller July 1999 when he sent copy of obituary. Dates in obit didn't match so not sure of dates till further check. Not located in Find A Grave site. DEATH: Could have died 9th June, Wednesday but later in article says services would be 21 Jan, Monday and viewing held Sunday 20 Jan which those dates are June so would appear buried by 21 June (not Jan). Tom received this from Chuck & Lorna who said received it from Lynn Dunham and note dated 25 Jun 1999. He added in his letter may have been written by son Alan. "Jack C. Miller. Born January 22, 1921 to parents Chris and Lillian. Raised on an apple ranch near Rifle, Colorado. Majored in electric power engineering at CSU, Fort Collins, CO. Recruited to create radar at M.I.T. during WWII. Invented a device which allowed our planes to detect the different frequency of Japanese propellers thus preventing friendly-fire accidents. Met Mona Ruth Jablow---his wife of 54 years ---in Boston. The moved to Chicago and then Albuquerque where he worked at Sandiea Base making atomic-bomb triggers; he left this when haunted by recurring dreams of a blinding white flash. They moved to Palo Alto in 1954 where the most vivid memories are of December 1955 flood-waters. He worked for A.B. Dick and S.R.I., but spent most of his working years at Lockheed Sunnyvale where he analyzed Cold War activity from satellite data. They spent 2 years on overseas assignment in Harrogate, Yorkshire, England. He had a severe stroke in 1985 but fought his way back to almost complete recovery and worked for several years after his official retirement. In retirement he learned to use a personal computer, taught kids about computers, researched his genealogy, and wrote of his life, leaving us a 250-page history of his life and family. In recent years illness made life more difficult, but he always fought his way back. This fall, he took the train to his beloved Colorado and saw the Aspens turn one last time. On the night before he died he held our hands with that strong grip of his and was very much himself. Thankfully, he spent only a few days in the hospital and went quickly. This was early on Wednesday, June 9. They had a son, Larry in 1948 of Albuquerque, NM (who sadly died in 1995); a daughter, Sharane in 1950 now in Baltimore, MD; another son, Alan in 1961 now in Davis, CA; a granddaughter, Jenelle, now in Los Cruces, NM, who, with husband Scott, gave them a great-granddaughter, Teagan Rene, just 3 months ago. Jack has a younger brother,

HUSBAND - Jack Christopher Miller

Info from Ralph Lowe 1974. Last known address was Palo Alto, CA.

Received letters from brother Tom Miller who lives in Albuquerque, NM on these families also. Update from brother Tom Miller July 1999 when he sent copy of obituary. Dates in obit didn't match so not sure of dates till further check.

Not located in Find A Grave site.

DEATH: Could have died 9th June, Wednesday but later in article says services would be 21 Jan, Monday and viewing held Sunday 20 Jan which those dates are June so would appear buried by 21 June (not Jan). Tom received this from Chuck & Lorna who said received it from Lynn Dunham and note dated 25 Jun 1999. He added in his letter may have been written by son Alan.

"Jack C. Miller. Born January 22, 1921 to parents Chris and Lillian. Raised on an apple ranch near Rifle, Colorado. Majored in electric power engineering at CSU, Fort Collins, CO. Recruited to create radar at M.I.T. during WWII. Invented a device which allowed our planes to detect the different frequency of Japanese propellers thus preventing friendly-fire accidents. Met Mona Ruth Jablow---his wife of 54 years ---in Boston. They moved to Chicago and then Albuquerque where he worked at Sandia Base making atomic-bomb triggers; he left this when haunted by recurring dreams of a blinding white flash. They moved to Palo Alto in 1954 where the most vivid memories are of December 1955 flood-waters. He worked for A.B. Dick and S.R.I., but spent most of his working years at Lockheed Sunnyvale where he analyzed Cold War activity from satellite data. They spent 2 years on overseas assignment in Harrogate, Yorkshire, England. He had a severe stroke in 1985 but fought his way back to almost complete recovery and worked for several years after his official retirement. In retirement he learned to use a personal computer, taught kids about computers, researched his genealogy, and wrote of his life, leaving us a 250-page history of his life and family. In recent years illness made life more difficult, but he always fought his way back. This fall, he took the train to his beloved Colorado and saw the Aspens turn one last time. On the night before he died he held our hands with that strong grip of his and was very much himself. Thankfully, he spent only a few days in the hospital and went quickly. This was early on Wednesday, June 9.

They had a son, Larry in 1948 of Albuquerque, NM (who sadly died in 1995); a daughter, Sharane in 1950 now in Baltimore, MD; another son, Alan in 1961 now in Davis, CA; a granddaughter, Jenelle, now in Los Cruces, NM, who, with husband Scott, gave them a great-granddaughter, Teagan Rene, just 3 months ago. Jack has a younger brother, Tom, of Albuquerque, NM.

He loved cats, astronomy, the Rio Grande Railroad, was fascinated by weather and was a staunch proponent of the Apple Macintosh. When they moved into their current home, he planted a redwood sapling "as big around as my thumb." It has grown to over 100' high and will serve as a memorial to his life for decades to come. He will be missed by family and friends but will remain with us forever. Services will be held Monday, January 21 at 5:30p.m. at the Unitarian church, 505 E. Charleston Road, Palo Alto. A viewing will be held Sunday, January 20, at Roller & Hapgood, 980 Middlefield Road, Palo Alto from 3:00 to 5:00p.m. In lieu of flowers donations may be made to Avenidas Senior Day Health Center, 701 E. Tom -
Lynn Duesham
sent us obituary
of Jack. Thought
you might like a
copy.

Chuck & Lynn

By your mother she got
it from Lynn.

July 20 '79

Dear Gladys;

Here is a copy of my
brothers obit for you.

I suspect that some of this
is hogwash, written by his son
Alan. (He lied) He told me that
he left because he didn't think
his supervisor would promote
him.

Of course Gillin's son with
was L/O of J.T. Fawcett → R.T.
Howe.

I hope you are doing well
and able to enjoy life without
your husband.

Best Regards
Tom Villet

According to his obit his 2nd wife was from Waterloo, maybe married there? Hattie Hudson

DEATH: Copy of obit of John from Charles City paper received from Ralph Lowe: John E. Lowe, 89, died this morning at 1:50 (May 21, 1958) at the home of his step-daughter, Mrs Tom Kellogg, 120 Maple Ave, following an illness of four years duration. Death was caused by complications of old age. Funeral services will be held at 2:00 pm Friday at the Hauser Funeral Home with the Rev. Paul H. Heath, pastor of the First Methodist Church officiating. Burial will be in the Greenwood cemetery, Nashua. If burial was in Nashua, that was in Chickasaw Co., not Floyd Co. IA.

Mr Lowe was born March 7, 1869 in Delaware County, the son of Anna Loyd and Andrew Jackson Lowe. He was married to Bessie Mustard at Coffeerville, Kansas in 1891. She preceded him in death in 1907. On November 19, 1925 he married Hattie Newton of Wateloo. She died April 19, 1955. Mr Lowe was a retired well driller. He was a member of the Modern Woodman Lodge.

Surviving are three sons, Jack Lowe, Buffalo, NY; L.L. Lowe, Waterloo; James O. Lowe, Waterloo; one daughter, Mrs Kenneth West, Lenexa, Kansas; one step daughter, Mrs Tom Kellogg, Charles City; one sister, Mrs Pearle Lowe Jenner, Parkersburg, Illinois; 12 grandchildren and 16 great grandchildren. Preceding him in death besides his wives were his parents, three daughters and two sons; also several brothers and sisters.

(Hauser Funeral home was in charge with burial in the Greenwood cem at Nashua. This is right on the border of Floyd and Chickasaw Co so not sure what Co.)

Ralph gave me a picture of John Even Lowe and Pearle Jenner taken in 1948 but he is so far away you can't see him too well. He would have been age 79 and sister Pearle would have been age 62.

John E. was listed in estate of McClelland Reed 1950, who was married to John's sister Edna, living at 120 Maple Ave, Charles City, IA.

CHILD 4 - Ruth Marie Lowe

Info from Ralph Lowe 1974.

DEATH: Ralph said she died about 1950 but don't know where? There was a Ruth buried in KS date of death 5 Sep 1899 that might be her, but according to worldconnect site in the internet by Donna listed her ad married to Orville Charles Servis 1919 in Floyd co. KS and had 3 children and listed more info on 2 of them. Need more proof yet as to if this was John's daughter.

Find A Grave internet site of both Ruth and Orville Servis, burial Winfield, Cowley Co. KS, Plot: Graham Cem section, Block 3, lot 32 space 02. (Orville Space 4) (copy)

Checked SSDI and found neither one of them listed, not that that means anything for sure. Wonder why they weren't listed though.

Donna's site listed Ruth Marie born 21 Dec 1807 Severance, Wolf River Twp, Doniphan co. KS and died 2 Jul 1949 Kansas City, Wyandotte co. KS of car accident and buried 2 Jul 1949 in Graham cem, Winfield, Cowley Co. KS. Blk 3 lot 32 space 2 With all the info she had she may well be dau of John Even.

If Ralph's info was also correct she died 1949 which is close to 1950.

Married Orville Charles Servis 2 Jul 1919 Charles City, Floyd Co. KS. Orville b. 19 Dec 1896 Rock, Cowley Co. KS and died 24 Jul 1954 Carbondale, Osage co. KS and buried in the Graham cem, Cowley Co. KS. Father William Sumner Servis and mother Jennie May Kibbe.

However there is no Floyd Co. Kansas but there is Floyd Co. Iowa and that is probably where they were married as where her parents were living.

SCRAPBOOK ITEMS (Continued)

ITEM NO. 14

Lillian Lowe from Kansas visited relatives here last week, leaving Monday morning to attend the Iowa State Normal School for the fall term, immediately after which she will enter upon the duties of teacher of the Munger school

ITEM NO. 15

OBITUARY

Miss Lillian Irene Lowe was born in this vicinity April 26, 1871 and died at her mother's home in this city at eight o'clock last Sunday evening, August 4, 1895. When at the age of eleven she removed with her parents to Kansas, where she lived until the age of 19, when she returned to Sumner to engage in teaching after a finishing preparation in our school and at Iowa State Normal at Cedar Falls.

At the age of 15 she had a severe attack of pneumonia, from which she never fully recovered. In March 1894 she was compelled to give up her position in our schools on account of failing health and her friends feared she was marked a victim of that dread disease consumption. That one word tells the tale. She visited her sister, Mrs. G. A. Leibfarth, of Keokuk, her brother S. J. Lowe, of Sioux City, and received treatment of the most eminent physicians, but there was no panacea for her disease and she sank in her young womanhood with a fatality as certain and progressive as the succession of day and night or the rotation of the seasons.

Lillian was a girl of the most amiable disposition, of bright intellect, and strong Christian character. She endeared herself to all with whom she in any way became associated, as the funeral occasion bore testimony. Although she fought her disease heroically and held on with a wonderful and almost unyielding tenacity, she finally gave up the unequal strife in beautiful resignation and perfect trust in her Savior. Her mind was clear to the last and her eyes closed upon the scenes of earth only for a minute to open upon the beauties of the Glory Land.

Mrs. G. A. Leibfarth and children, of Keokuk, and S. J. Lowe and little boy of Leeds, were here to attend the funeral of their sister Lillian. S. J. returned next day, and Mrs. L. remains for a short visit. H. B. Lowe of Topeka, Kansas would have been present had he received the telegram in time.

Asparagus is better after year's growth

Each year, enough stalks must develop fern to furnish food for roots to build up strength for the next crop.

250 take nostalgic subway ride

United Press International

NEW YORK — A group of subway buffs traveled back in time Sunday — on the IRT Lexington Avenue line.

About 250 persons crammed a five-car vintage train and rode back 75 years through dusty, unused tunnels and old stations.

The train, painted in the Tuscan red livery of the original IRT, pulled out of Grand Central Station and traveled along Lexington Avenue.

The high point of the trip was the reopening of the old City Hall station, renowned for its resplendent Guastavino tile and arches, and considered one of the most beautiful stations in the system.

The station was closed in 1945 when trains became too long for its platforms.

The two-hour ride also included visits to abandoned local platforms at Brooklyn Bridge station and the refurbished Bowling Green station, which was built in 1905.

Amish families keep an iceman on 18-hour day

NORTH BLOOMFIELD, Ohio (AP) — The world-of-iceboxes and ice blocks melted away for most Americans 30 years ago, but it has grown for John Fisher in the last three decades as the number of Amish families he serves has increased.

He spends 18 hours a day, six days a week, to keep iceboxes full in homes of some 650 Amish families in neighboring counties.

Shouldering huge blocks door-to-door is hard work, but for a man in his mid-50s, such as Fisher, the job is healthful.

"I haven't missed a day on the job since I bought the business 30 years ago," he says.

An ice-making plant sends six or seven 12-ton truckloads each week to two refrigerated storage boxes next to Fisher's home.

Refrigerator issues warning to dieters

LONDON (AP) — A new development for dieters is a refrigerator tape-recorder attachment which asks, "Are you eating again?" each time the refrigerator door is opened.

HUSBAND - Orville Charles Servis Parents William Sumner Servis and Jennie May Kibbe.	
WIFE - Ruth Marie Lowe Info from Ralph Lowe 1974.	
DEATH: Ralph said she died about 1950 but don't know where? There was a Ruth buried in KS date of death 5 Sep 1899 that might be her, but according to worldconnect site in the internet by Donna listed her as married to Orville Charles Servis 1919 in Floyd co. KS and had 3 children and listed more info on 2 of them. Need more proof yet as to if this was John's daughter.	
Find A Grave internet site of both Ruth and Orville Servis, burial Winfield, Cowley Co. KS, Plot: Graham Cem section, Block 3, lot 32 space 02. (Orville Space 4) (copy)	
Checked SSDI and found neither one of them listed, not that that means anything for sure. Wonder why they weren't listed though.	
Donna's site listed Ruth Marie born 21 Dec 1807 Severance, Wolf River Twp, Doniphan co. KS and died 2 Jul 1949 Kansas City, Wyandotte co. KS of car accident and buried 2 Jul 1949 in Graham cem, Winfield, Cowley Co. KS. Blk 3 lot 32 space 2 With all the info she had she may well be dau of John Even.	
If Ralph's info was also correct she died 1949 which is close to 1950.	
Married Orville Charles Servis 2 Jul 1919 Charles City, Floyd Co. KS. Orville b. 19 Dec 1896 Rock, Cowley Co. KS and died 24 Jul 1954 Carbondale, Osage co. KS and buried in the Graham cem, Cowley Co. KS. Father William Sumner Servis and mother Jennie May Kibbe.	
However there is no Floyd Co. Kansas but there is Floyd Co. Iowa and that is probably where they were married as where her parents were living.	
Robert Lowe Servis b. 1 Aug 1920 Lambert Loren Servis b. 6 Mar 1922 Howard Deal Servis b. 17 Jan 1929 all Cowley Co. KS.	
With the naming of the children it is more than possible that this was dau of John Even as had a son Lambert Loren Lowe and Lowe was maiden name of Ruth.

Wife **Belle Lowe**

Notes

HUSBAND - Harry Rose

BIRTH, DEATH: No info on Harry other than he was born in London, England and his wife died in 1912 and he was living at that time. Maybe Bremer Co. IA.

MARRIAGE: They were married in Waverly, IA at the Baptist parsonage 1901.

WIFE - Belle Lowe

Info from Ralph Lowe 1974 and also sent obit and other articles of Belle. Ralph gave me a picture of Belle but no date, probably in her younger days.

Took picture of grave stone during visit to Wilson Grove cemetery on 11 Oct 1997.

MARRIAGE: Ralph had copy of notice of marriage from maybe a Waverly, IA paper. Married: At the Baptist parsonage in this city last Saturday, Feb. 9, 1901, Rev. P. Monroe Smock officiating, Mr Harry Rose to Miss Belle Lowe, both of Sumner, Iowa. We extend congratulations.

Another article on her marriage from a newspaper: Miss Belle Lowe, long and favorably known as a typesetter in the Gazette office, was married on Sat. to a Mr. Rose, a new resident of the town.

Eight years ago Miss Belle Lowe began to work in this office and she has been a steady and constant employee since, excepting about a year, she worked in Allison. Last Saturday night she permanently terminated her employment with us and retired from the printing business. She has been a good and faithful helper in our composing room and in the conduct of our business, and we are sorry to lose her valuable assistance.

Miss Belle Lowe, for the past seven years an esteemed and trusted typo of the Gazette office, was married last Saturday, Feb. 9, 1901 at the Baptist parsonage in Waverly to Mr Harry Rose of London, England ----- we wish the bride happiness as she journeys along the matrimonial highway. The groom is an entire stranger to us, but his judgment in the choice of a wife is all right.

Another article from Ralph had the heading, "Letter From Colorado" -- "one of the Review correspondents sends letter describing Far West" -- This is a long letter by Mrs Belle Rose from Glenwood Springs, Colorado, dated Sept 20, 1905, to the Review, Vinton, Iowa. It tells all about the country around Glenwood Springs, Colorado.

DEATH: Info from two obituaries, both appears to be from the Vinton, Iowa Gazette paper received from Ralph Lowe. One obit from Sumner paper.

Vinton paper: The many friends of Mrs Harry Rose will be grieved to hear of her death, which occurred Sunday morning at the home of her sister in Sumner, Iowa.

"Mrs Rose had been a resident of Vinton for the past twelve years, moving here from Sumner. For several years she had been employed by the Vinton Review as a reporter and compositor and had endeared herself to a host of friends in this vicinity. Mrs Rose was compelled to resign her position a few months ago on account of ill health and she was taken to St Lukes Hospital in Cedar Rapids for special treatment. Continuing to fail rapidly, she was removed to the home of her sister in Sumner where she remained until her death.

Her death did not come as a surprise to her relatives as she was suffering from cancer of the throat. Everything possible had been done to save her life, but to no avail. Services were held in Sumner on Monday."

The second obituary for the Vinton, Iowa Gazette: "Mrs Belle Lowe Rose was born in Sumner, Iowa, Feb. 28, 1873. When young her parents moved to Aliceville, Kansas where she lived until a young woman. She returned to Sumner in 1891 or 1892, and went into the Gazette office and learned the printers trade.

She worked in the Gazette until early in 1901. On February 9, 1901 she was married at Sumner to Harry Rose. In May of the same year they moved to Vinton, Iowa, where she ever since has resided. She worked in a printing office in Vinton for several years.

One year ago in February she was operated on for cancer and for one year she seemed to be free from that dread disease. But it again manifested its presence. In August this year she came back to Sumner, her birthplace, to be with her mother, sister, and relatives during her last days.

She won many friends in Vinton --- was highly esteemed --- loved by all for her intelligence, faithfulness and

MISCELLANEOUS ITEMS - NOT NUMBERED

Miss Belle Lowe, a sister of station^{agent} Lowe of the Illinois Central, is visiting her brother in Leeds and will remain two weeks or more. Miss Lowe is a typo on the Sumner, Iowa Gazette.

L. R. Linn of the Allison Tribune came over Saturday, returning Monday, taking back with him Miss Belle Lowe, who will work in his office. Having been in this office for nearly four years, it seems like letting a member of the family go away; but the fact that our boy is now at home, and the poor business that we enjoy (?) from week to week compels us to rejoice that she gets a good job elsewhere. She is a worthy young lady and in a good place when with Leslie Linn and family.

Only one couple called for a marriage license at the clerk's office this week; Henry Rose and Belle Lowe.

Miss Belle Lowe and Harry Rose, late of England, were married at Waverly last Thursday

She would be 14 in the 1900 census and with parents but have not located them. 1910-1920 not checked. Faye Francis located an article on the internet from Sumner High School Alumnae (Nov 2009) which listed students in classes from 1892-1905. Class of 1904 was listed Frances Pearl Lowwe (Jenner) Which said she was married 26 Nov 1903 so did she go to school after she was married to graduate or did she not actually graduate? Possibly they have the year wrong and should be 1902?

Hi Gladys,

Ink cartridge was running low with copying all the Sumner papers so ran to Dbq. this aft. to pick one up as knew I couldn't go any of the rest of the days this week. Stopped at Hy-Vee and picked up one of those delicious chicken salad sandwiches and some other things and came home and ate the sandwich with a cup of coffee-bag coffee. Sure hit the spot.

The Jenners were in N. and S. Dakota but not around 1904. He was a railroad telegrapher when they were married and followed that profession, I think. I found the following: Violet Jenner b. 16 Jul 1906, d. 28 Sep 1997, soc. sec. card issued in S. Dakota, Genevieve Jenner b. 30 Apr 1911, d. 18 Jul 2004, ss card issued S. Dakota; Eloise Jenner b. 21 Jun 1912, d. 29 May 1991, ss card issued N. Dakota, Lewis Jenner, b. 28 May 1913, d. 7 Feb 2008, ss card issued Illinois, Richard Jenner, b. 11 Oct. 1918, D. 11 Nov 1997, ss card issued Illinois. Violet Jenner maybe married a Milliken? Genevieve is buried Miller, Hand Co., S. Dakota - GAR Cemetery. There is an Elce Jenner listed as a member of Parker Methodist Church, Parker, Turner Co., S. Dakota - could be Eloise Jenner? Have Vincent Jenner marrying Myrtle Marguarite Hunt 7 Aug. 1926, Olney, Richland, Illinois. So it looks like they were in the Dakotas when the kids were in there teens.

Thought maybe you would wear out the problem with your arms. When you walk your treadmill, you haven't changed the way you hold on when walking, have you? Could that have anything to do with your arms?

Getting tired so will get off to bed. Might go to lunch in Andrew tomorrow - and then again, might not. Will see in the morning.

Hi Faye,

Been long day, as everyday seems to be right at the moment. No different. Called heart Dr's nurse as she asked me to and no better then was on Thurs but no worse, she says could be fibermialgia, could be but doubt, she said just doesn't sound like heart. They will have to prove to me it is that before I take the meds for that as have taken it before twice and messes up my vision a lot as it did when Sheri took the same meds. But I was taking it for different reason and she was taking it for fibermialgia as she has it. Which doubt is that but could be aftermath of stroke and don't think is that either but the worse weakness did come on pretty quick if you can consider 3 weeks quick. She said since turned 75 and told her yes that was exactly what it was

MEMORANDUM

While returning from a trip into the Southern States in the Fall of 1964, we, Ralph and Marian Lowe, called on Violet Jenner, Parkersburg, Ill., Sunday, September 20, 1964. This was four years after Violet's mother, Frances Pearle Jenner, who was the youngest daughter of Andrew Jackson Lowe, had died.

Violet Jenner showed us a scrapbook that her mother and other members of the family had kept through the years. It contained many clippings of interest. Violet offered to loan the scrapbook to us to make copies of any items we desired. We brought the book home and copied many items. We then mailed the scrapbook back to Violet.

Unfortunately, the clippings pasted in the scrapbook were not dated nor were they identified to show from what publication they were clipped. In some cases it can be fairly accurately surmised what the publication was.

Items that seemed to be of the most significance from the standpoint of family history were copied and numbered. These items are on the sheets that follow.

The notation is made on some of the sheets of the Family Group Record for the Andrew Jackson Lowe family saying "Scrapbook Item No. ____". This notation refers to the numbered items on the following sheets.

While returning from a trip into the Southern States in the fall of 1900, Mr. Ralph and his wife, called on Violet Turner, Fairbury, Ill., Monday, September 24, 1900. This was four years after Violet's mother, Frances Emma Turner, who was the youngest daughter of Andrew Jackson Turner, had died.

Violet Turner showed us a scrapbook that her mother and other members of the family had kept through the years. It contained many clippings of interest. Violet offered to loan the scrapbook to us for a copy of my item as desired. We brought the book home and copied every item. We then called the scrapbook back to Violet.

But afterward, the clippings needed in the scrapbook were not found. Our wife suggested to show them that nothing was lost. In any case it can be fairly accurately ascertained that the publication was.

Items that seemed to be of the most significance from the standpoint of family history were copied and numbered. These items are on the sheets that follow.

The material is set on some of the sheets of the Family Group Record for the Andrew Jackson Lane family saying "Descendants of the _____". This material refers to the material listed on the following sheets.

We are going to visit our house here first before looking around the western burbs of Chicago. So we are having lots of changes in our lives. We like North Carolina, but need to be closer to what family we have left, as we are getting older too. We have a lot to do right now with the house, but it is hard to get in the mood to face a move after all that has happened lately.

I will close for now. Hope you are both doing well. I am truly looking forward to visiting both of you in Iowa in a few months after we get back to IL.

Mother had a heart attack in March, seemed to recover fairly well, but then suffered another one a couple weeks before she died. She had congestive heart failure for several years. She had also picked up one of those bugs like MERSA somewhere along the way. I was with mother when she passed away--it was just awful. I am dealing with it, but as you know, it is very difficult. I am thankful that her suffering is over, as she was miserable for several weeks before she died, and I think she had gone blind. It was not going to get any better. John and I have been in the process of getting ready to put our house on the market and move back to northern Illinois. He was offered a package at the bank (he had been there nearly 40 years), so he accepted the package and retired in March. We are going to sell our house here first before looking around the western burbs of Chicago. So we are having lots of changes in our lives. 3rd Cousin

Dear Gladys,

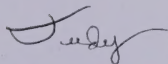

I am writing to you regarding Lowe family history. Your name turned up in some of my research, and I thought maybe you could help me a little with my family genealogy research.

My grandmother was Pearle Francis Lowe, the daughter of Andrew Jackson Lowe and Ann Lloyd. Andrew Jackson Lowe was the son of William Lowe and Jane Gore. Apparently, we are both descended from the Lowe/Gore family, although I do not know the connection. As a child, I remember meeting Ralph Lowe one time. I know he was researching the family history. He was related in some way to my grandmother, probably a cousin, but I am guessing about that. I just remember he was a very nice man, a school teacher, I believe. My mother is still living (in Parkersburg, IL) and is 94, but she doesn't remember much about the family history.

I am very interested in Civil War history and am trying to learn more about Hawley, George and John Lowe, whom I have been researching. I did track down a little information on Hawley and George, where they fought in the war, etc. I am enclosing this copied picture that was found when cleaning out my grandma's house. Would you have any idea if the picture could be one of the Lowes? Unfortunately, most of the pictures I looked at did not have names on them. I guess most of us are guilty of that! Also, I am trying to track down the Revolutionary War connection of the Lowes and Gores, but have not yet been successful. If only I had first names of the fathers of William Lowe and Jane Gore--that would help.

Anyway, if you could supply any information, it would be so appreciated. My e-mail address is jdfatheree@aol.com and my phone number is 704-321-2235. Or if you have time to write a letter that would be fine too. I hope to hear from you--thank you!

Dear Gladys,

I am writing to you regarding I over family history. Your name turned up in some of my research and I thought maybe you could help me a little with my family genealogy research.

My grandmother was Francis Frances Lowe, the daughter of Andrew Jackson Lowe and Ann Taylor. Andrew Jackson Lowe was the son of William Lowe and Jane Gore. Apparently, we are both descended from the Lowe/Gore family, although I do not know the connection. As a child, I remember meeting Ralph Lowe one time. I know he was researching the family history. He was related in some way to my grandmother, probably a cousin, but I am guessing about that. I just remember he was a very nice man, a school teacher, I believe. My mother is still living (in Petersburg, IL) and is 94, but she doesn't remember much about the family history.

I am very interested in Civil War history and am trying to learn more about Hardy, George and John Lowe, whom I have been researching. I did track down a little information on Hardy and George, when they fought in the war, etc. I am enclosing this copied picture that was found when cleaning out my grandma's house. Would you have any idea if the picture could be one of the Lowers? Unfortunately, most of the pictures I looked at did not have names on them. I guess most of us are guilty of that. Also, I am trying to track down the Revolutionary War connection of the Lowers and Lowers, but have not been successful. If only I had first names or the initials of William Lowe and Jane Gore—that would help.

Anyway, if you could supply any information, it would be so appreciated. My e-mail address is gladys@gladys.com and my phone number is 704-321-3232. Or if you have time to write a letter that would be fine too. I hope to hear from you—thank you!

Dear Gladys,

I am writing to you regarding I owe family history. Your family turned up in some of my research, and I thought maybe you could help me a little with my family genealogy research.

My grandmother was Frank's first wife, the daughter of Andrew Jackson Lowe and Ann Lloyd. Andrew Jackson Lowe was the son of William Lowe and Jane Green. Apparently, we are both descended from the Lowes/Green family, although I do not know the connection. As a child, I remember seeing a photograph of my grandmother, probably in the family home. It was related in some way to my grandmother, probably a cousin, but I am guessing. I just remember he was a very nice man, a school teacher, I believe. My mother is still living in Portsmouth, N.J., and is 94, but she doesn't remember much about this family history.

I am very interested in this family history, and am trying to learn more about it. George and John, I remember, were from somewhere. I did work down a little information on this, but I am not sure they thought in the way, etc. I am enclosing this copied picture of my grandmother, which I found in the house. Would you have any idea if the picture was of the Lowes? Unfortunately, none of the pictures I looked at did it. I am not sure. I guess most of us are pretty old. Also, I am trying to track down the relationship. I only have the names of the fathers or mothers, but have not yet been able to find it. If only I had the names of the fathers or William Lowe and Jane Green, that would help.

Anyway, if you could supply any information, it would be so appreciated. My e-mail address is jld@bellsouth.net, or phone number is 704-321-2222. Or if you have time to write a letter that would be great. I hope to hear from you soon.

Hi Judy,

Very nice to hear from another cousin on our Lowe family. We don't get too many of them it seems.

We have info on Francis "Pearle" Lowe Jenner and her children but this info was from Ralph Lowe when he was doing research years ago and had been in touch with Pearle but most of her family we only have the children and their husbands and no children listed for any of them. If your mother is 94 would she be Beatrice Mary Jenner who md Frank Bosseto? Would be 94 in Dec 77.

You do have the descent of your line back to William Lowe and Jane Gore as Andrew Jackson was their son and Pearle Lowe Jenner was your grandmother and then your mother and you. We are 3rd cousins once removed. You are one closer generation to William than I am.

I descend from Hawley Lowe and my mother is still living and was 94 in Sept. But my dad was from the Lowe line. Hawley Lowe was in the Confederate Army and was paid to go in for someone and we haven't been able to find any records on him and he went in from MO and he was killed in the battle of Silver Springs in Randolph Co. MO. His name may have been Joseph Hawley but always went by Hawley and have a letter written by him in 1836 and he signed it J.H. Lowe. George was in Union Army and we have all the info on his service. We have not been able to locate any info on the parents of William Lowe and only thing we know for sure is he married Jane Gore in 1811 in Rockbridge Co. VA.

We are not sure his father was in Rev war as have not found anyone to connect. We are not sure where William came from, VA, PA, or NC even. We do know Jane Gores father was James Gore and he was not in Rev War and his father was Michael Gore and mother Rebecca Ross and her father was Robert Ross and he may have been in Rev War but haven't located any info to date, and the Gore info is on the internet so much of it can be found, some places is wrong and some is right. As you know what you find on the internet has to be proven to be sure info is right even if it is found, doesn't mean it is right, but it may give you a clue as to where to look and for whom you are looking for.

William and Jane Gore Lowe left VA and we are not sure just when as they are in Madison Co. AL by 1819 thru 1823 and possible 1830 but not sure. Then they bought land in Madison Co. IL and moved there about 1830 and then sold that land in 1837 and family story says they went to Texas and Jane didn't like it so came back to either IL or IA, no one seems to know where or when their deaths took place. The two youngest children were living with older brothers in the 1840 census in Iowa so are assuming they both had died by then.

William and Jane Gore had 7 children that we know of:

James Madison Lowe b. 1812

Thomas Jefferson Lowe (of which line Ralph Lowe descended from and also 2 cousins Faye Francis and June Beals of which the 3 of us have been working on our family for many years) b. 1814

J. Hawley Lowe b. 24 May 1816 Rockbridge Co. VA

George Washington Lowe b. 1819 Madison Co. AL

Andrew Jackson Lowe b. 28 Sep 1823 Madison Co. AL

Arabella Jane Lowe b. 1830-1 Madison Co. IL

John Lowe (also in Union Army, but have located no info) b. 1835 Madison Co. IL

Would be most interested in knowing your family info as well. I can give you brief info but I have many notebooks on the Lowe family which couldn't be copied and do have a book of my Lowe family in the larger libraries of Salt Lake City and Ft Wayne IN if you happen to get there. Unfortunately my data base on the computer is too large to even try to copy at this time. But can get you all the info on the children of William and Jane if you don't have it, by mail. I am always ready to exchange info with others that are working on our line, but to date there have been very few.

Ralph Lowe's son did the DNA test for us and so far only 1 match back in MA from England and nothing we can connect to as of now but am hoping someday we can get someone that has been working on a line that will connect to our William.

Be anxious to hear from you.

I do not know who the picture may be as we have not a picture like that. Could be from the Jenner side which hasn't been researched that I know of.

It looks like my soldier boy picture will remain a mystery! In years past, the family always said that none of the Jenner family fought in the Civil War, so we all thought the picture was of a Lowe. Also, the gentleman looks to be around 40, which was the age range of Hawley and George, versus being a typically very young soldier. I suppose the picture might even be of a family friend—guess we will never know. Do you have any old family pictures? Also, a copy of the letter written by Hawley would be of great interest. I have a picture that someone wrote on the back "Uncle Hattie." Do you think that might be one of the Lowes?

On weekends, my husband and I sometimes go to explore nearby battlefields. You probably have the Ralph Lowe sheet where I mention reports are that the fathers of William Lowe and Jane Gore served in the Revolutionary War. Anyway, we drove to the Eutaw Springs, GA, battlefield where supposedly the father of William Lowe had a leg. We copied a GC roster of the Revolutionary War. Two lists did include a William Lowe (maybe Ethel was a Jr. and Sr.) and a James Gore, but did not give enough information that I could put together the puzzle. And since Lowe and Gore are both common names, they could certainly be from another family. A number of years ago, we went to the Vicksburg Military Cemetery, but I could not find any confirmation that George W. Lowe was buried there. I do not remember if it was computerized at the time. As I learned that George died at Black River, MS, (which must have been part of the Vicksburg campaign), I thought he would well have been buried at Vicksburg. Any thoughts on this?

It sounds like you have done a lot of research and I can well understand about your computer data base being too large to copy. I have gotten some information, just a bit, various means of research through the years. I put a aside and then start do it again. I just bought the Family Tree Maker and will try out ancestry one after the holidays. Have you done a lot of research on ancestry.com or other websites? Dear Gladys,

I was delighted to receive your e-mail and learn that you are my third cousin! Thank you for sending along the information. I was familiar with some of the family info, but much was new, particularly concerning the Gore side of the family. Of course, I must ask--are we related to Al Gore? Yes, you are correct with my mother's information. I mistyped, she is 93 now, will be 94 on December 7th. Here are some updates on her line of the family with deaths in the last few years. Only my mother and her youngest sister, Eloise, remain of the seven children of Lewis and Pearle Lowe Jenner. I am the only child of Beatrice and Frank Bossetto. My dad was a full-blooded Italian.

there, as they are connected to the Salt Lake City computer. I will check it out and let you know. That was very interesting about Ralph Lowe's son and the DNA test. I also hope a line to William will eventually be found.

I have never been to Battendorf, Iowa. Has it been your home for many years? Do your cousins Faye Francis and June Beals live near you? We have lived from one end of the country to the other. My husband works for Bank of America. We lived in the Chicago suburbs for 25 years, then got transferred to San Francisco for two years and have been in Charlotte for ten years. When my husband retires in a couple of years we will be moving back to Illinois. Our only child lives in West Chicago. I fly back to Illinois approximately every six weeks. I spend most of my time downtown seeing about my mother. Interesting that you still have your mother also....

Again, my thanks for your e-mail, and I will see what I can do with the research. I would be happy to receive any information, as it is all interesting to me. If I can find out anything that I think you may not have, I will be happy to pass it along. Keep in touch.

Hi Judy,

So very glad to hear from you and we will certainly see what we can do about getting some info to each other. There just are not that many people working on our lines so we are always so glad to hear from one that is. Especially Pearl Jenners family since they were the last of the family and closest to knowing anything about William and Jane Gore Lowe we had thought..

I am so pleased to have the info you sent on your mothers siblings. I had a couple dates but not the later ones of course as hadn't done any work on the family so what we have is what Ralph Lowe had done and given Faye and June and myself. Which is probably why we have no children listed for any of Pearls and her siblings.

I had thought from the age you said your mother was that she was Beatrice. But have no marriage date or place for her but would imagine you are close to my age or maybe a little younger. I was born in 1935. My mother born Sep 1915 and md in 1934 and my dad was killed in 1971 at age 56 then Mom remarried and lost my step father last year in July so she is at an assisted living center which is a very good place for her to be and her mind is still pretty good and can walk and get around all she wants and still goes to her card clubs 3-4 times a month besides doing all the things they do at the center so in pretty good health with some health problems but haven't slowed her down too much yet.

Wouldn't give up on the picture just yet but we don't have any pictures of that generation but Andrew Jackson Lowe so can't say for sure if was any of ours. Know there were a lot of Hawley's in our family and name had been spelled Halley and other spellings but no one named Hallis so depends on the date of the pic if could have been Hawley or one of the other Hawley's in the Andrew family. However my Hawley died in Civil War in 1962.

As far as we know Andrew Jackson and brother Thomas Jefferson were the only two that weren't in the Civil War. Not sure about James Madison, the first son as he left home about the age of 18 and never heard from again, yet the family seem to know he had died in New Orleans of cholera in 1842. So far have not found any info on Civil War service of John either but also family info says he disappeared in Helena, AR in 1962 and there was a battle at the time he was said to have been gone so have presumed he was killed but no proof. We know George Washington went in service from an ILL group and his name is on the stone for that Co. at the Vicksburg cem as died of disease at Black River, MS and buried in Vicksburg. Have a pic of the stone with his name on it from Vicksburg.

We have done so much research on Eutaw Springs SC battle but have not been able to find any reference to Lowes. We know that Jane Gores father was not in the Rev. War but his father was, not sure in it but did something to help the war. Since we don't know where our William Lowe came from before he showed up in Rockbridge Co. VA in 1811 to marry Jane Gore we don't know who his father was yet other then family story that his father lost a leg in battle of Eutaw Springs. Without looking at my book, may have said grandfathers of William and Jane and not father, but memory sometimes fails and have to look things up to be sure

I had a couple dates but thought.

So very glad to hear from you and we will certainly see what we can do about getting some info to each other. There just are not that many people working on our lines so we are always so glad to hear from one that is. I have been working on my family since 1969 so that is 40 years and still have a lot of blank spaces. I use PAF for my data base and may have to go to Family Tree Maker when I get new computer set up next spring but am hoping not as like PAF but they aren't updateing it any longer.

Faye Frances descends from Thomas Jefferson Lowe line and she lives in Bellevue, Iowa and she does a lot of internet looking for our line and June Beals lives in Des Moines, IA with her husband and she has early onset of alzheimers and so we can't go and do genealogy any longer but up to couple years ago we always went to Ft Wayne, IN and had gone to Salt Lake City and even took a 3 week trip to Rockbridge Co. VA and then up to MD and PA to Gettysburg Battle field and home so was very much fun.

My late husband and I went on a 3 month trip to VA and back some years ago, well about 28 yrs ago now if not little longer as we have been back here 20 years and he has been gone for 11 yrs. He was in Army and retired after 20 yrs as Chief Warrant Officer and we had service station here, which is my home, in 1971 till he had back surgery in 1976 then sold the station and moved to Texas, near Ft Hood at Gatesville where we lived for 11 yrs then came back here as he wasn't able to travel any longer, nor were my mother and step father or many of his family as well. So here I still am.

We have a LDS library branch here in Davenport, which is next door to Bettendorf but haven't done a lot of research lately as don't seem to have lot of time. But don't think they will send books, but can get microfilm and use to go there a lot when was doing much more then am now. I do some on the internet but have found more things wrong then right, I hesitate to do very much, but sometimes have found good info and leads to the right info then.

So I can send you some family group sheets of William and Jane Gore Lowe to show you what we have done and their children if you like in exchange for some info on Pearle Jenners family and siblings if you have some closer updated info the I do which probably goes back to later 1970's.

Again so nice to be in touch with you and please stay in touch as we would really like to solve our mystery of William and need all the help we can get.

Later,
Gladys

Dear Gladys,

I was delighted to receive your e-mail and learn that you are my third cousin! Thank you for sending along the information. I was familiar with some of the family info, but much was new, particularly concerning the Gore side of the family. Of course, I must ask--are we related to Al Gore? Yes, you are correct with my mother's information. I mistyped, she is 93 now, will be 94 on December 7th. Here are some

Dear Cousin Gladys,

I am enclosing what I hope will be helpful. I filled out your enclosed sheets and added a little more in-law information in my typed notes, along with a few pictures and miscellaneous items. I wish I had more to send.

My mother was not as much help as I hoped she would be, even though her memory is still very good in most ways. She says her mother did talk a lot about the Lowe's and she wishes she had listened closer. It is unfortunate that my aunt Violet is gone--she was really the one we could have learned a lot from, as she was the oldest daughter and lived with grandma Pearle her entire life. Violet was a wonderful lady, very smart, and did have an interest in the family history. I miss her very much to this day. She was a tiny lady, never weighing even 100 pounds. One time, she got up to 98 pounds and we thought she would make it to 100, but, alas, she never did.

My mother does not remember her grandparents, Andrew Jackson Lowe and Ann Loyd at all. As they were rather far away in Iowa, I guess they seldom visited, or else mother was too young to remember. Probably not much traveling back in those days. She does remember Violet (who was ten years older than my mother) telling her that grandma Lowe liked to hold her but she was always slipping off her lap. Mother remembers when grandma Lowe died, as her mother, Pearle, left for several days, I guess on the train, to go to her funeral back in Iowa.

One story that I have heard for many years was about grandma Lowe going to a fortune teller. This was when Belle was her youngest child. The fortune teller looked in the tea leaves and told grandma Lowe that she saw another baby. As the family story goes, grandma Lowe laughed and said her youngest child was around 12 years old and she didn't think that was going to happen. Of course, then my grandma Pearle arrived, being thirteen years younger than her sister Belle.

I wish I knew more tidbits to send along, but hard to find out much at this point in time. I am the youngest of the grandchildren of Lewis and Pearle, and don't see my cousins very often. They don't seem to be very interested in the family history, like I am.

Yes, it seems like our William was a rather elusive character. I wanted to ask you about the Loyd name--some places I have seen it Lloyd and some Loyd. I don't know which is correct, so I wanted to run that by you. I am enclosing another picture of a relative and

My mother does not remember her grandparents. Arthur Jackson Lowe and Ann I said at all. As they were either far away in Iowa, I guess they seldom visited, or else mother was too young to remember. Probably not much traveling back in those days. She does remember Violet (who was ten years older than my mother) telling her that Grandma Lowe liked to hold her but she was always slipping off her lap. Mother remembers when Grandma Lowe died, as her mother, Pearl, left her several days. I guess on the table, to get to her funeral back in Iowa.

One story that I have heard for many years was about Grandma Lowe going to a doctor's office. This was when Belle was her youngest child. The doctor when looked in the low mirror and told Grandma Lowe that she saw mother baby. As the family story goes, Grandma Lowe laughed and said her youngest child was around 12 years old and she didn't think that was going to happen. Yes it seems like the Williams was a rather elusive character. I wanted to ask you about the first name - some places I have seen it Lloyd and some Lord. I don't know which is correct, so I wanted to run that by you. I am enclosing another picture of a relative and

wonder if you have ever seen it before.

A few days ago, I saw an article in our local newspaper about a Civil War re-enactment group, that included an e-mail address. So I scanned the family mystery soldier picture and wrote a letter to see if I could learn anything about him. The re-enactor wrote back and said the soldier was in a Confederate uniform. Maybe Hawley?? While on the military subject, I am enclosing a couple pages from the State of SC Revolutionary War roster, which we copied at one of the battlefields we visited. Also, today while digging around on a DAR SC website, I came across James Gore Sr. You have likely been to this website. I then compared the information to the Pedigree Chart that you had sent. I noticed it gave a definite year of birth and date/year of death. Of course, as you previously mentioned, not all the online information is accurate.

That's about it for now. If I come up with any more, I will send it along. Gladys, I hope you don't mind that I am enclosing \$20. You have spent a lot on postage and printer paper, and it is the least I can do to show my appreciation. It would have taken me years to find all the information that you sent me!

Keep in touch,

Judy

Hi Gladys,

I'll send a short note before getting busy for the day. I was surprised to hear that you had been to Parkersburg! It's too bad you were not aware that my mom was still living there at the time of your visit. I love the old Parkersburg cemetery and have relatives on both sides of the family buried there. Through the Jenner line descends the Parker family, and the town was named after one of my ancestors. I have not heard of the Dyer family in Olney. I used to know a lot of people there, but not many anymore. The Olney Public Library does have a lot of genealogy material. I haven't had a chance to dig in it much, but it is quite extensive for a small town.

Yes, I do have a long journey on my trips back to IL. I fly to O'Hare and rent a car and then drive downstate. Since our son and his family live in the suburbs, I visit them a day also. I am intimidated by St. Louis, which is closer to Parkersburg. And I know the Chicago area well, so I fly there. I do dread the winter travel. I try not to go in January. So I have Thanksgiving, mother's birthday and Christmas lined up--then a rest! My husband's family lives in Xenia, IL so we have to divide our time there on holidays. My husband has a very demanding job, so he only goes home with me a couple times a year.

I am sorry to hear about your eye problems. Yes, I can understand your reluctance to have the cataract surgery on your other eye. It is hard to know what to do. My mom can see good, but has major hearing loss, as did several of her brothers and sisters and grandma Pearle too. But mother has good digital hearing aids now and can hear quite well with them. My big problem is arthritis. I have already had a bone removed in my right hand and can see that knee replacement is likely in my future. I was a medical transcriptionist for years which may have contributed to my hand problems. Unfortunately, I guess everyone has some kind of problems.

I better close. If you don't hear from me until after the holidays you will know I am running around IL! Whatever you can send would be greatly appreciated. I will get busy and send some things along after the holidays. Take care and we'll talk another time...

Dear Gladys,

Received the copies you sent & thanks! June had sent hers, also. Think the two of you really got the short end of the deal. I didn't have as many to make as you did. Anyway, thanks for sending them.

I, too, enjoyed our time together. We lucked out with the weather for going to the cemeteries. Really was pretty decent. I hope all the work tracing A.J.'s descendants results in getting a little more information. He seemed to be more interested in the family history than my ancestor. Seems darned strange that more isn't known about William's origin.

Don't suppose I will get anywhere to do much researching until spring. My son finally got his license back yesterday and has some wheels. Now he can get around on his own and my weekends will belong to me again. It sure was inconvenient when he was unable to drive. Told him he better never put me through anything like this again because I just could not take it. He is really a pretty good kid and we have always been close - but enough is enough! Now, if he would just find some nice, decent girl and get married - I could relax.

Hope Chuck continues to improve and doesn't have any more hospital stays to deal with this winter. He sure has had a lot of problems with his health. All that is probably ahead of me - but, so far, so good!

We just got word that a refrigeration company is going to start up in West Union. They own a company in Minnesota and were looking at either Cresco or West Union. They are so pleased with the response here in town, that instead of bringing in the planned 60 jobs - they are looking at moving in 160 jobs. Real shot in the arm for our town. Sure wish my son would entertain thoughts of applying and move up here. I really would like to sell the house in Bellevue as I don't think I would enjoy living there anymore.

Got to go. Been running up and down that road to Dubuque so much that it will seem really strange to stay here in town for the weekend. Of course, I do have to drive down to Dbq. to the Dr. next Thursday and am thinking about taking Friday off, too. I have a friend who lives in Savanna and she has been after me to come for a visit. Might call her and go down for a day of shopping somewhere.

Was really nice to see you again and hope we are able to get together for another visit before too many months go by. Will keep you posted if I run onto anything interesting.

As always,

Faye

Burst are the prison bars
This moment there so low
So agonized and now
Beyond the stars

O, change! Stupendous change!
There lies the soulless clod!
The sun eternal breaks
The new immortal wakes
Wakes with his God.

Away Monday Night after
Long Illness

Feb. 5, 1934

Funeral services will be held at the home this (Thursday) afternoon at 2:30 with Rev. C. J. Mardorf officiating. Interment will be in Union Mound cemetery.

She resided in Dayton township until the age of 10 when she came to Sumner with her parents. She attended school here and graduated from the local high school. Her father was postmaster for several years and during that time she assisted him.

About 30 years ago she went to Des Moines where she resided for an extended time, returning to Sumner in 1924.

On May 2, 1925, she was married to Dr. W. L. Whitmire, who with one sister, Mrs. E. W. Farrand and one brother, Charles D. Cass, both of Los Angeles, Calif., survive her.

Dear June,

Here are almost the rest of the obituaries that we needed. There were three from Sumner paper that was too late and Iowa City did not have them. And one of Gertrude Lowe 1895 and Evelyn Lowe 1898 did not locate in the papers.

Did locate obit on Dr Theron Pease but not his son who d. 1964 or his first wife as don't know when she died and she wasn't listed in Washington Co. Cemetery. Therons 2nd wife was listed but didn't have any late papers for Washington, IA so these will have to write for. The obit on Catherine McCormac was just a mention and I should have looked for an actual obit in the next weeks paper but neglected to do so. Will check that out next spring when go back to Iowa City. (was one we really didn't need).

Then checked for Waynes in WI and located 3 in Grant Co. So thought they may be related? Copied the one of John Wayne and hand copied the other two. The one copied was so light on the film and I tried to darken it and did okay until I went to recopy to send to you then it got a little dark but think you can still read it. I don't know what to make of the info as this John would be the right age for Mercy's father but if so would have been by a first marriage as maybe Lewis was a son from then. 1850 his wife looked like Narcissa age 30 and in 1860 his wife was Martha age 50 so was he married 3 times? 1850 children have not looked further on yet. 1860 child wasn't listed in 1850 unless was Priscilla Sophia?

I wasn't going to send any of this to Faye as she doesn't seem to interested in the later people and some of the early obits did have mention of from Ralphs info, just not date of paper.

This should about do it until we get more death dates to check on. Were you going to AZ this winter?

Sincerely,

Did locate obit on Dr. Theron Pascoe but not his son who d. 1961 or his first wife as don't know when she died and she wasn't listed in Washington Co. Cemetery. Theron's 2nd wife was listed but didn't have any late papers for Washington, IA so these will have to wait for. The obit on Catherine McGowan was just a mention and I should have looked for an actual obit in the next weeks paper but neglected to do so. Dear Gladys:

I believe I have sorted out all the data we acquired this past weekend. And some material about the Tulley's. My pictures turned out well, if you need any, let me know. The week-end went by too quickly. I would have liked to read some more obits, but will try to get them here. I think the Sumner paper doesn't start until 1940 at the Des Moines library, but there were late obits we didn't have.

Will keep you posted on any new information when it comes in. I watch for the postman every day. What a hobby. Our best to you both.

I finally got copied what I found at the library. I will send you the other obituaries I found when I do them at the library in Iowa City. Then we will compare notes again and see which ones I have that you don't. The ones I told you I had were done from a newspaper that might have resorted probably from Mrs. Jensen's scrapbook but none had any dates or the newspaper so am going to check them at the library, again for rest of info.

The folders I copied was on Davis, McCortney, Meyer, Wessell (which wasn't any info on our line) and Harding-which was no info. we needed. Faye was supposed to copy Whitaker and Fance. She started out just copying my hand some info and I told her to copy all the papers in the folder then we would have that info and if don't need it okay but why take time to read what was there now. Can do that later so finally I think she did copy the two folders anyway. There were only ones of names on some of the ones. Info from the Davis folder also had some info on Whitaker as well maybe the same. There was a lot of info on them that I didn't have.

I got my pictures back today and hope they will be good. Will let you know if not.

Chuck made out okay. They started on the kitchen Monday and had been a while since. About as bad as starting from scratch. Really, they have been easier if had.

Will get the rest of info I am waiting for when I get it in the mail.

I finally got copied what I had found at the library. I will send you the other obituaries after next month when I do them at the library in Iowa City. Then we will compare notes again and see which ones I have that you don't. The ones I told you I had were obit. from a newspaper that Ralph had received probably from Mrs Jenner's scrapbook but none had any dates or the newspaper so am going to check them at the library again for rest of info.

The folders I copied was on Orvis, McConkey, Heyer, Wescott (which wasn't any info on our line) and Harding which was no info. we needed. Faye was suppose to copy Whitmire and Pease. She started out just copying by hand some info and I told her to copy all the papers in the folder then we would have that info and if don't need it okay but why take time to read what was there now, can do that later so finally I think she did copy the two folders anyway. Those were only ones of names we knew at the time. Info from the Orvis folder also had some info on Whitmire so some maybe the same. There was a lot of info on them that I didn't have.

I get my pictures back today and hope they will be good. Will let you know if not.

Chuck made out okay. They started on the kitchen Monday and has been a mess ever since. About as bad as starting from scratch really, may have been easier if had.

Will get the rest of info I am waiting for when I get it in the mail.

Hi June,

Made it home fine. Stopped raining shortly after got to Cedar Rapids, up till then only sprinkles. Was nice to be able to see you all again, even if for such a short time.

I finally got copied what I had found at the library. I will send you the other cuttings after next month when I do them at the library in Iowa City. Then we will compare notes again and see which ones I have that you don't. The ones I told you I had were odd. From a newspaper that Ralph had received probably from the Jenner's scrapbook but none had any dates or the newspaper so am going to check them at the library again for rest of info.

The folders I copied was on Orvis, McCook, Meyer, Westcott (which wasn't any info on our line) and Harding which was no info. we needed. I was supposed to copy Whitmore and Jesse. She started out just copying by hand some info and I told her to copy all the papers in the folder then we would have that info and if don't need it okay but why take time to read what was there now, can do that later so finally I think she did copy the two folders anyway. Those were only ones of names we knew at the time. Info from the Orvis folder also had some info on Whitmore so some maybe the same. There was a lot of info on them that I didn't have.

Clerk,

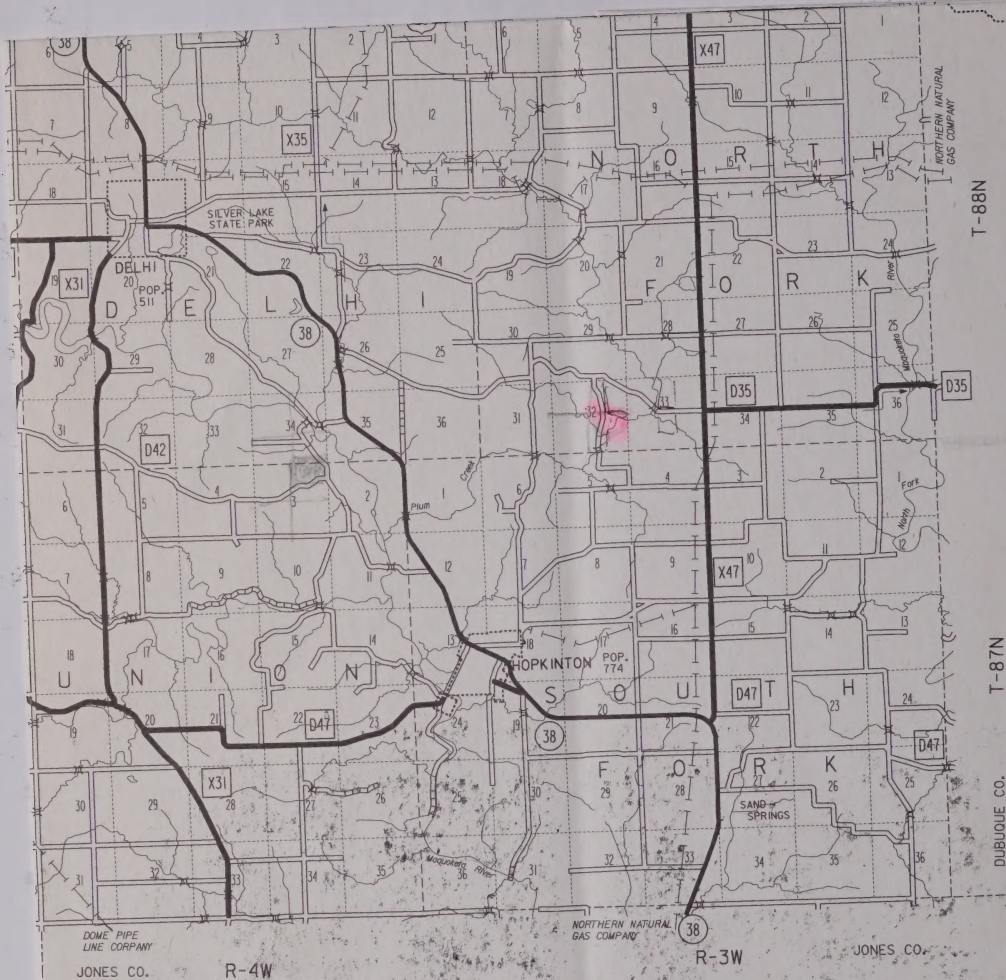

I was wondering if you would have a probate, will, interstate record for one HAWLEY BROOKS LOWE who died in Wichita, KS in the year of 1936 or 1937?

I wrote to the state dept. And they had no death certificate for him but his family said he died in Wichita, KS. I also wrote to the Community Health Dept. in Wichita and they sent me a form to send to Vital Dept of the state.

It is my hope that you may have something on his death so I can follow up with an obituary and where children were living at that time.

Enclosed is \$5 for copies if located and if more is needed please let me know.

Sincerely,
